Alle instruktioner findes i appen.

**Stick lasts 18+ hours
on a full charge**

⚠ CAUTION ⚠

Insert the Stick **completely**
into the meat so it can
withstand high temperatures.

Beware of flare-ups! They
can exceed 900 °F/500 °C
and damage the Stick.

DE

**Der Stick reicht bei voller
Ladung 18+ Stunden.**

⚠ ACHTUNG ⚠

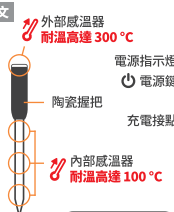

Setzen Sie den Stick
vollständig in das Fleisch
ein, damit er den hohen
Temperaturen standhält.

Vorsicht vor Aufflammen!
Sie können 500 °C
überschreiten und den
Stick beschädigen.

中文

**溫度偵測電量充沛
能使用超過18小時**

⚠ 注意 ⚠

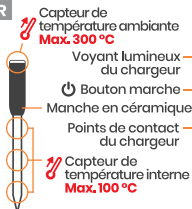

將溫度儀**完全**插進肉裡，
才能耐高溫烹煮。

小心火焰！突發的火焰可能
高達500 °C並損壞溫度儀。

FR

**Le Stick tient plus de 18 heures
sur une charge complète**

⚠ ATTENTION ⚠

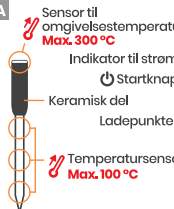

Insérez **complètement**
le Stick afin qu'il puisse
supporter des
températures élevées.

Attention aux flammes!
Elles peuvent dépasser
les 500 °C et
endommager le Stick.

DA

**Proben kan holde mindst
18 timer på en fuld opladning.**

⚠ ADVARSEL ⚠

Sæt proben **helt** ind i
kedet, så det kan modstå
de høje temperaturer.

Pas på flammer! De kan
overstige 500 °C og gøre
skade på proben.

Déclaration IC

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes :

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

IC Statement

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s).

Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

FCC Statement

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Soma Labs LLC, hereby declares that the product(s) comply with the essential requirements of relevant European Union directives. For the full version of the Declaration of Conformity, please visit the following link: tms.fyi/ce-declaration
