

8 December 2017

Federal Communications Commission
7435 Oakland Mills Road
Columbia MD 21046

To whom it may concern:

BSH Home Appliances Corp. is filing for a module approval for the COM2 module (FCC ID: 2AHES-COM2). As part of the submitted exhibits, internal photos of the PCB are submitted. However the RF shield cannot be removed as it is integral to the "off the shelf" Radio Chip.

Regards,

A handwritten signature in black ink, appearing to be 'Mike Meall', written over the printed name.
