 A close-up photograph showing the front side of a test setup. A black, curved component is mounted on a white rectangular block. Below the block is a black metal frame with several circular holes and two black knobs. The background is slightly blurred, showing a laboratory environment.	 A close-up photograph showing the back side of the test setup. The black, curved component is visible, mounted on the white block. The black metal frame is also visible, showing the circular holes and knobs from a different angle. The background is a plain, light-colored surface.
