2. Test positions

Photo 4: Front side 10mm	Photo 5: Back side 0mm
 A photograph showing a gold-colored smartphone lying horizontally on a white rectangular block. The block is mounted on a black metal frame with several black knobs. The background is a plain, light-colored wall.	 A photograph showing the back of the same gold-colored smartphone, which is now lying vertically on the same white rectangular block. The black metal frame and knobs are visible in the foreground, and the background is the same light-colored wall.
