

Brand Name: hitron Model Name: HIXE12AWR

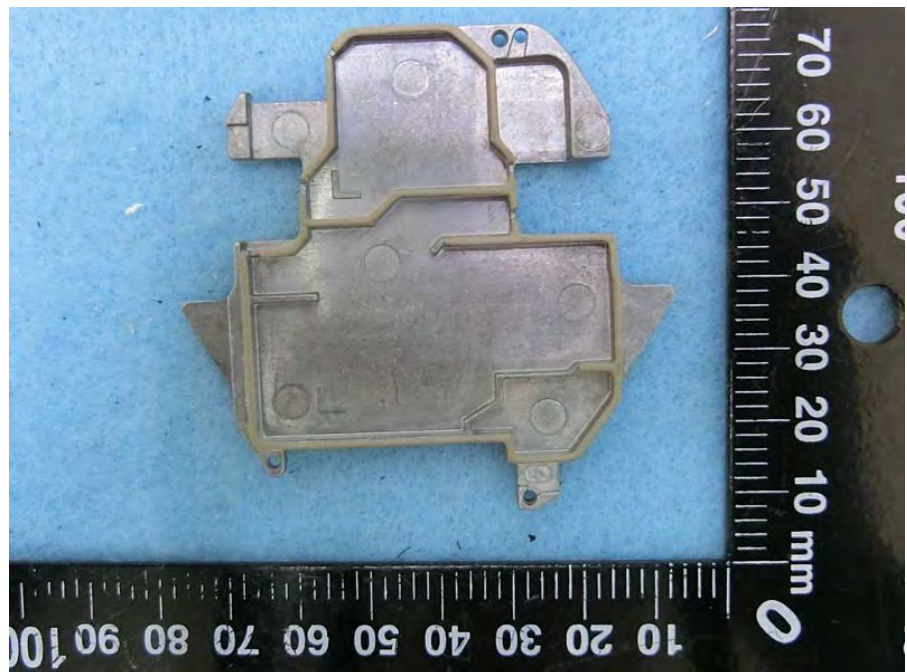

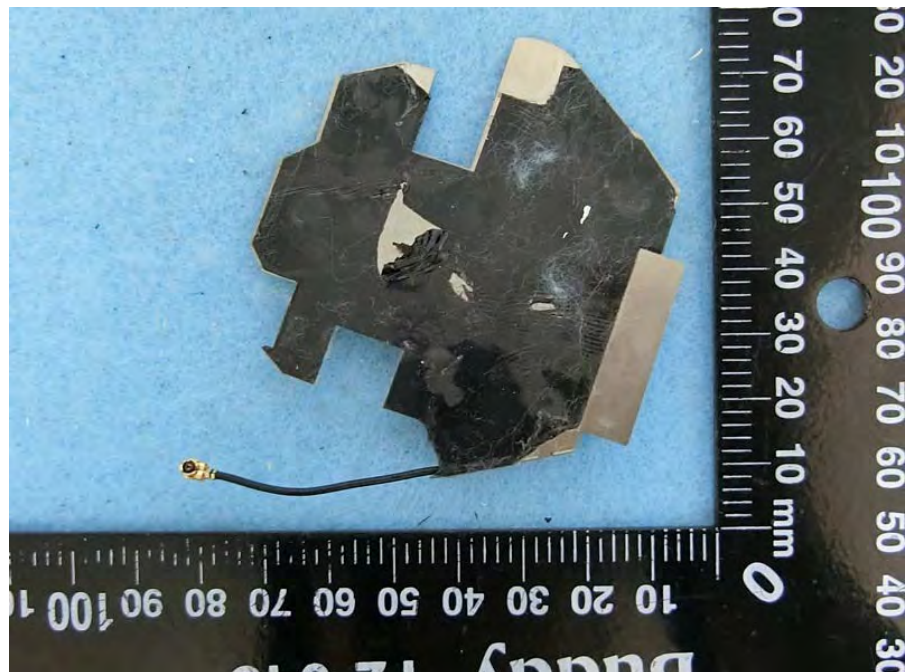

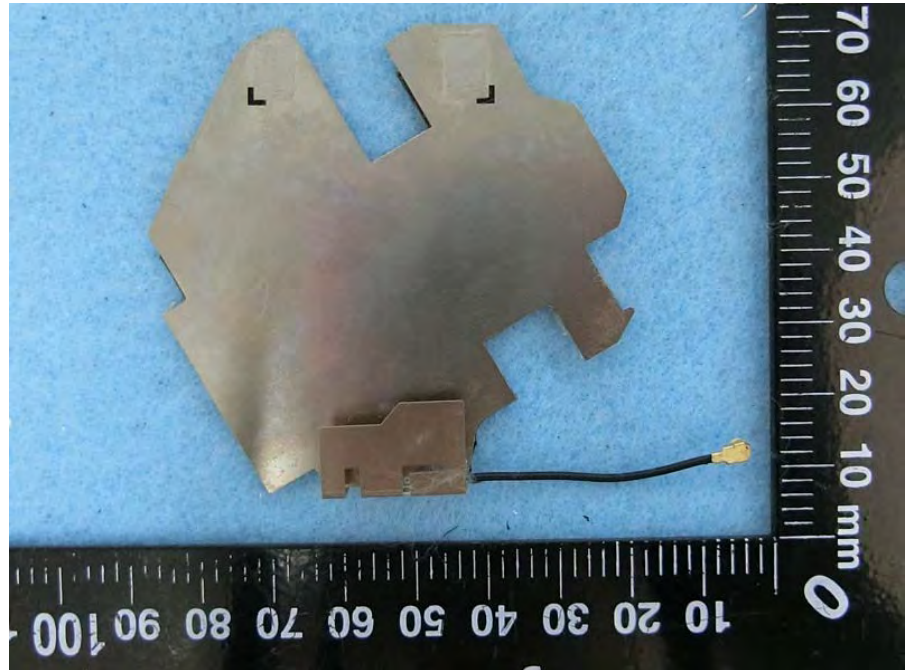

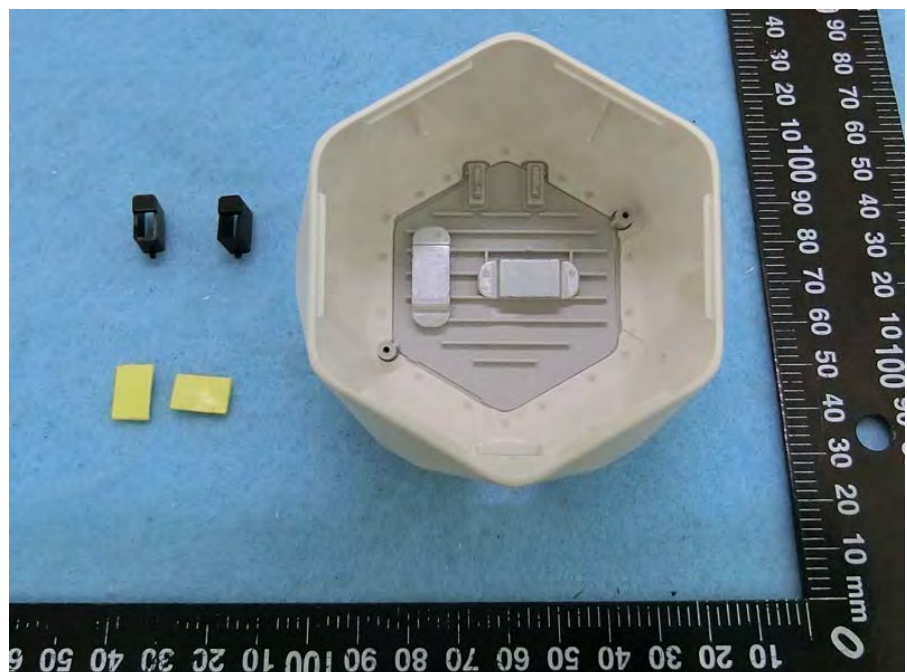

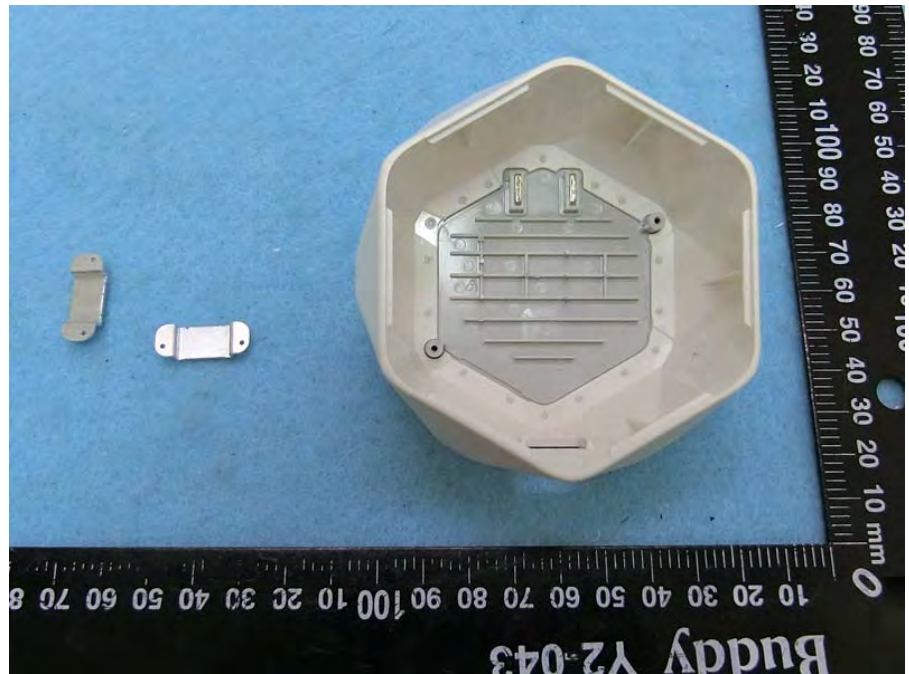

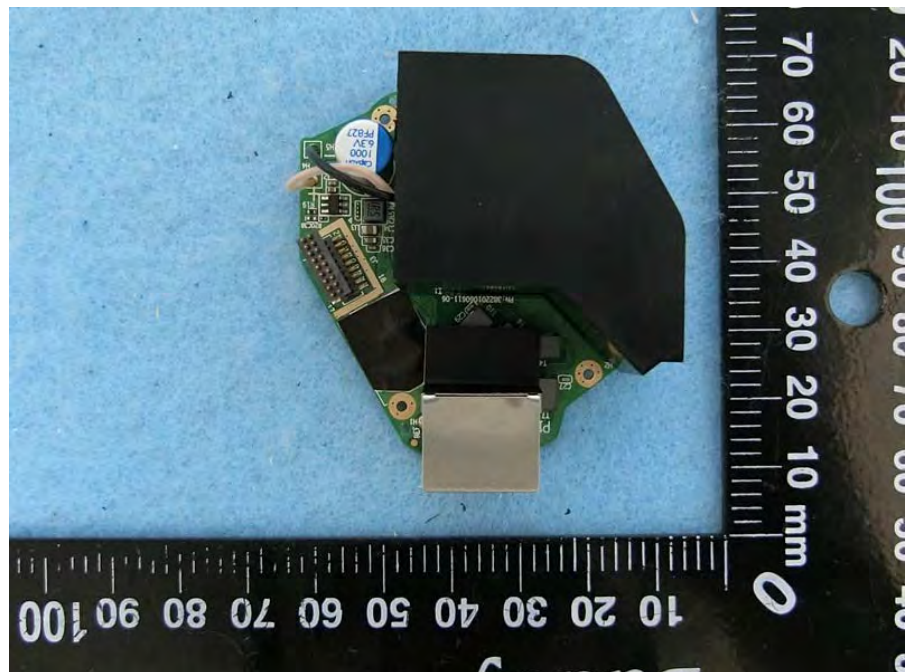

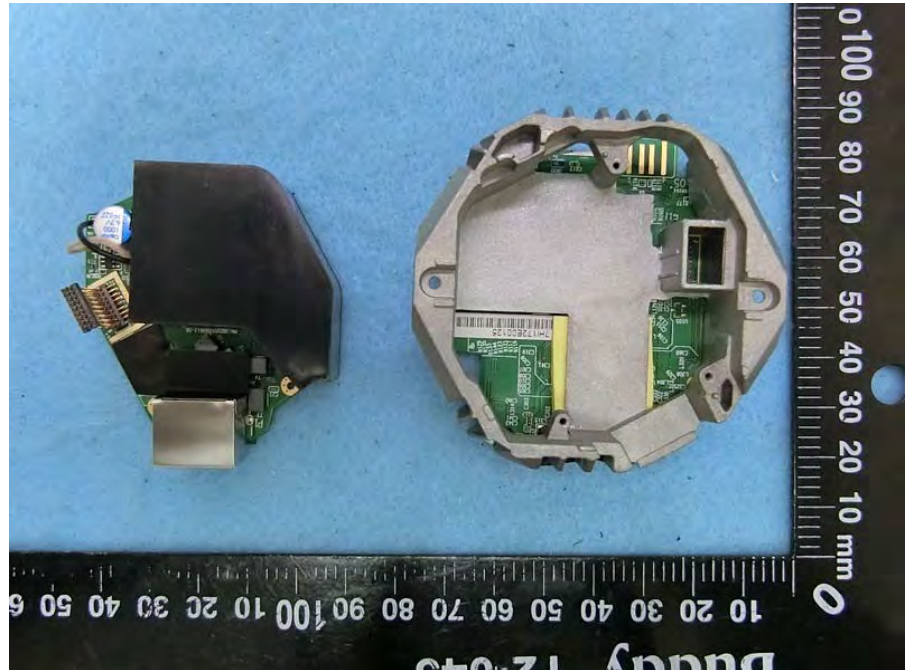

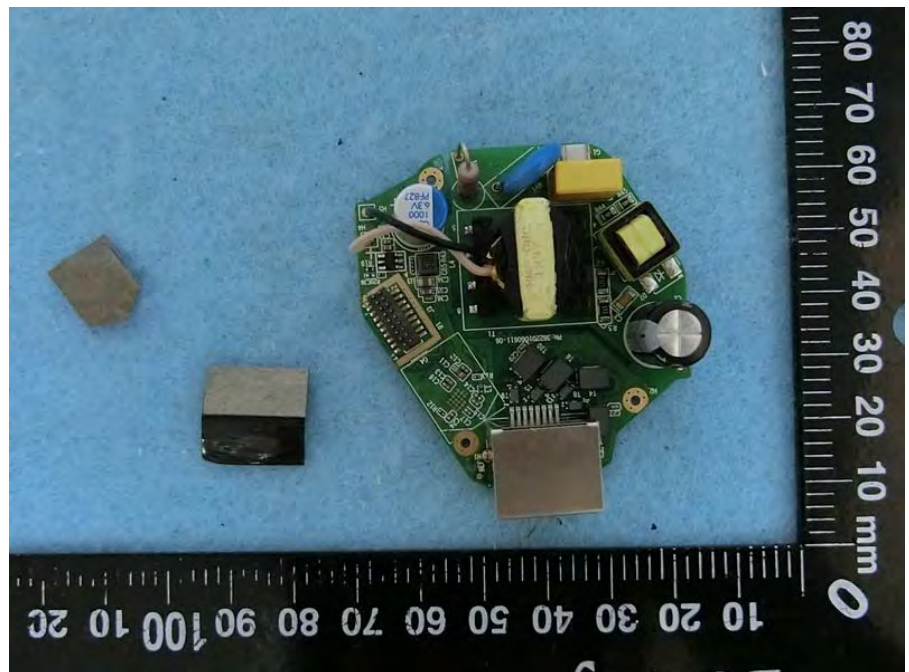

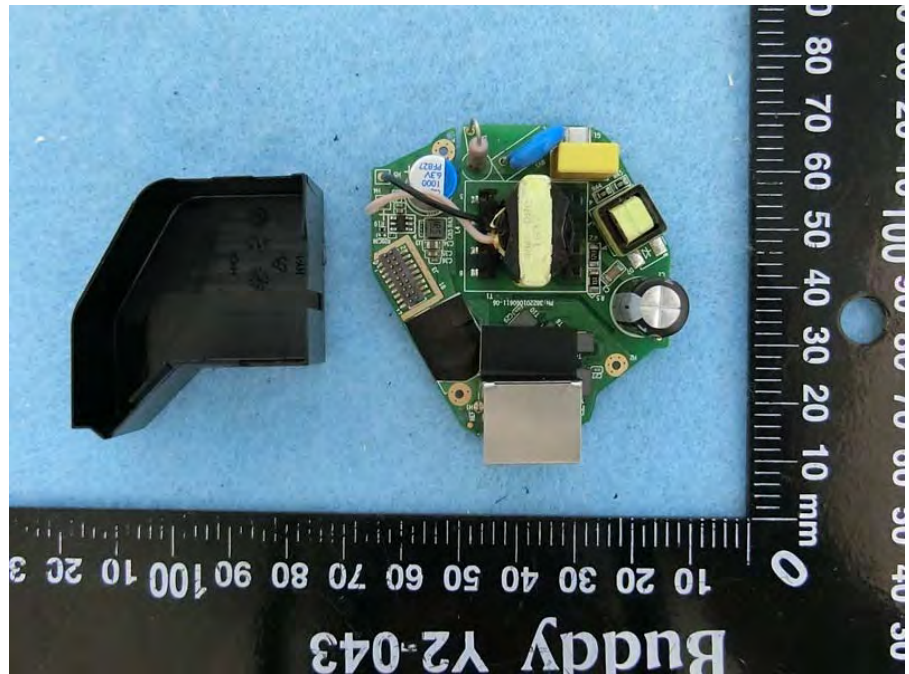

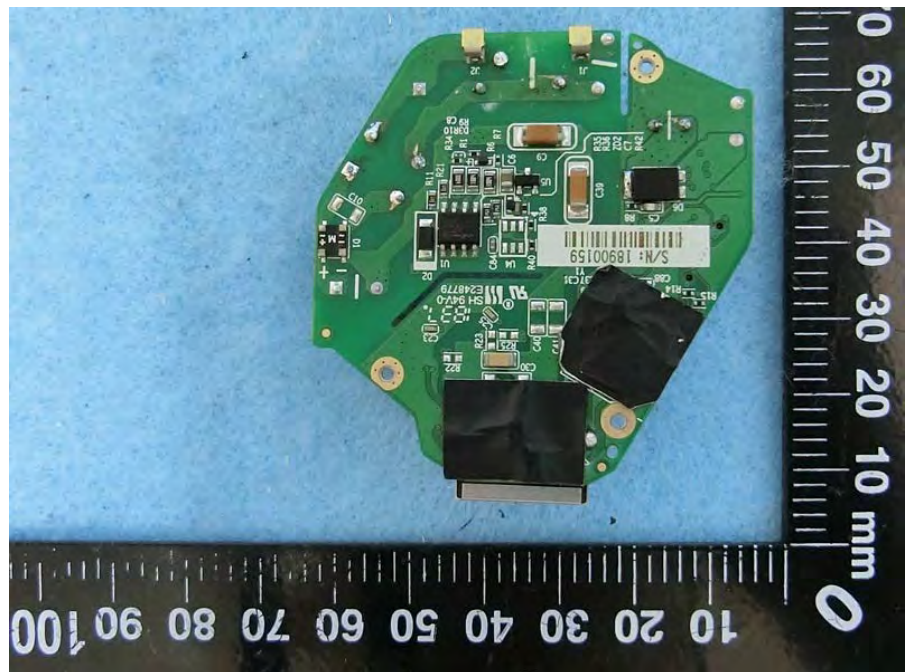

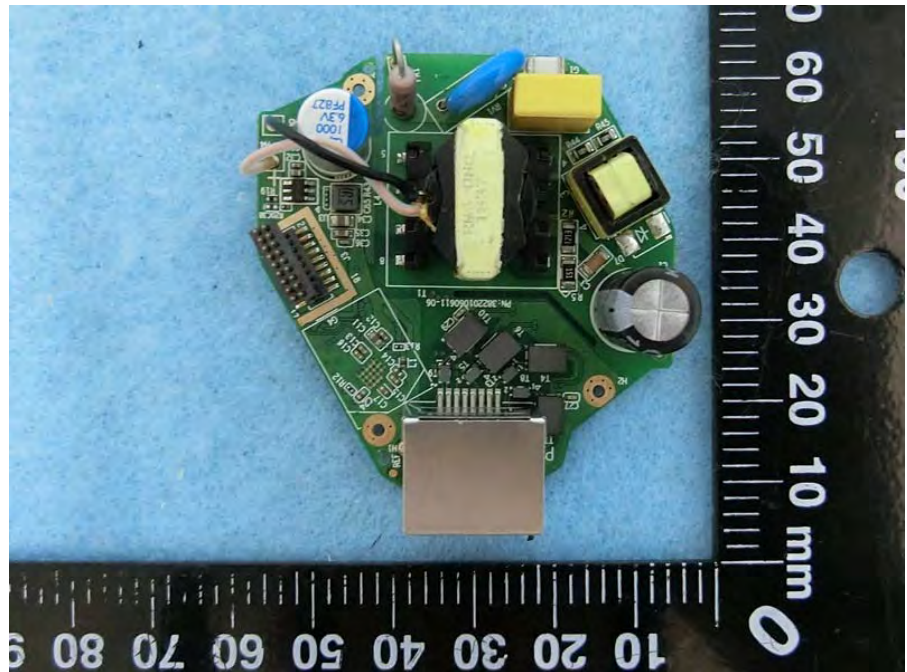

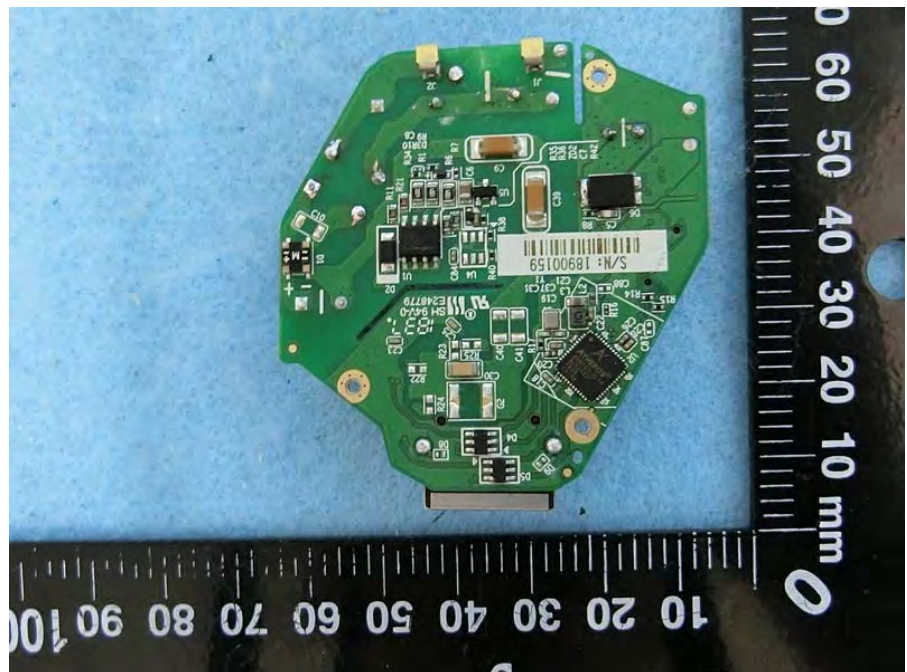

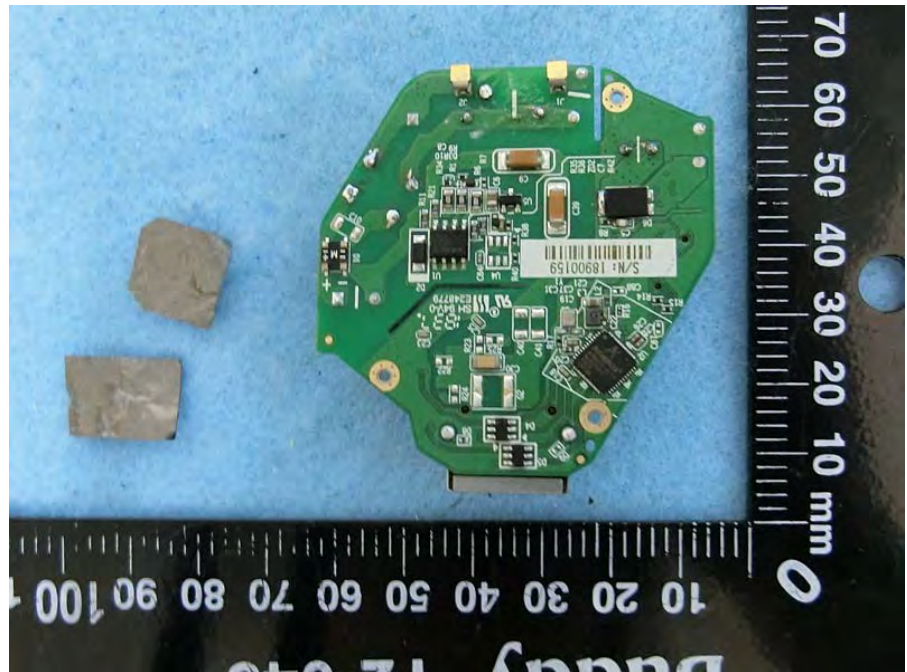

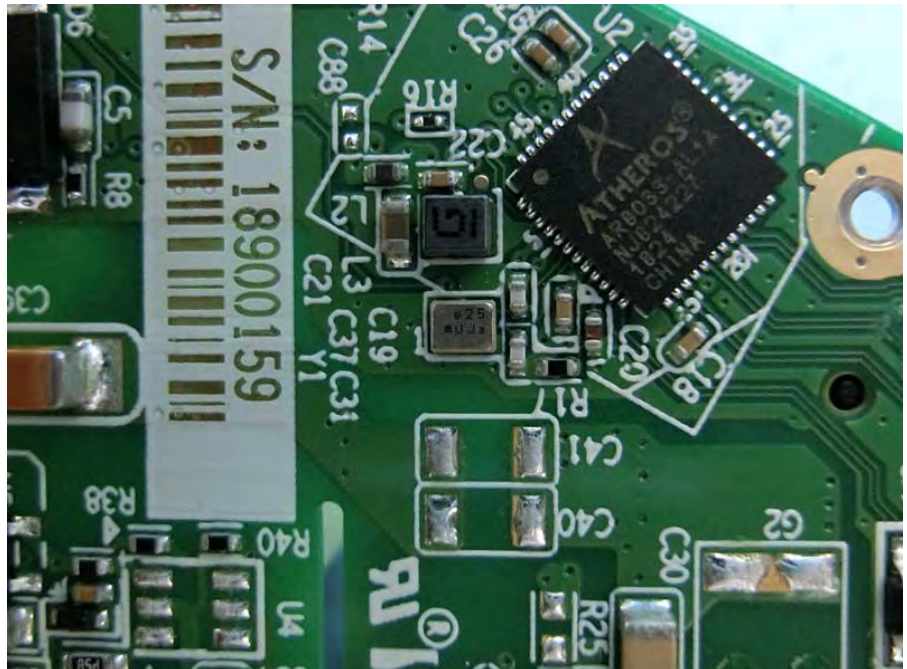

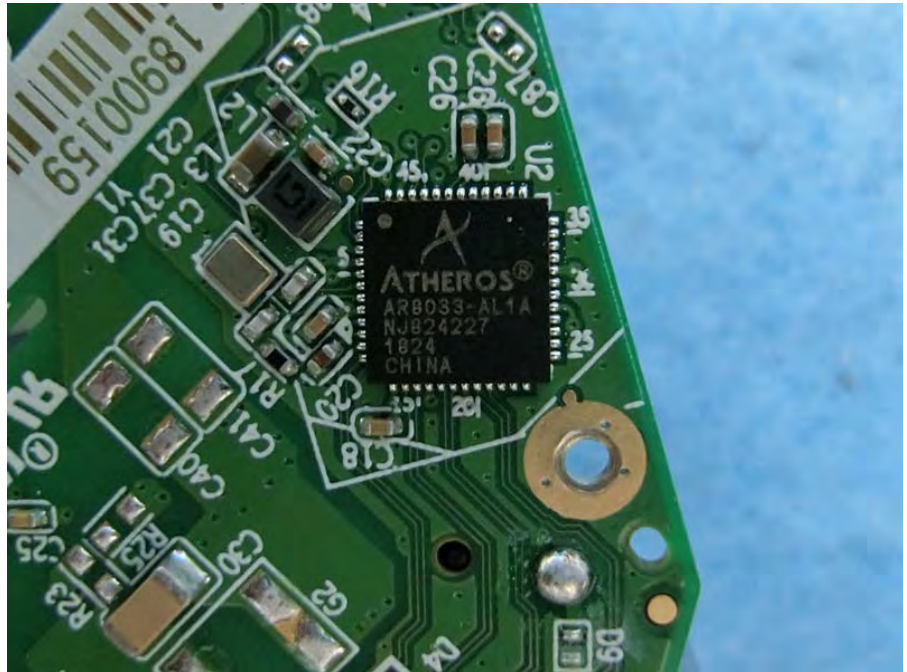

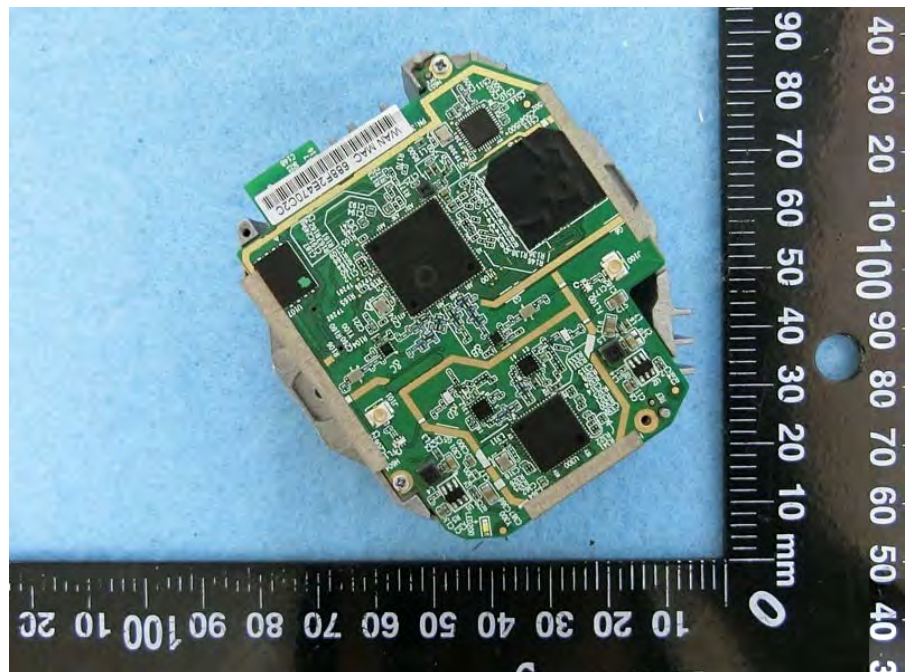

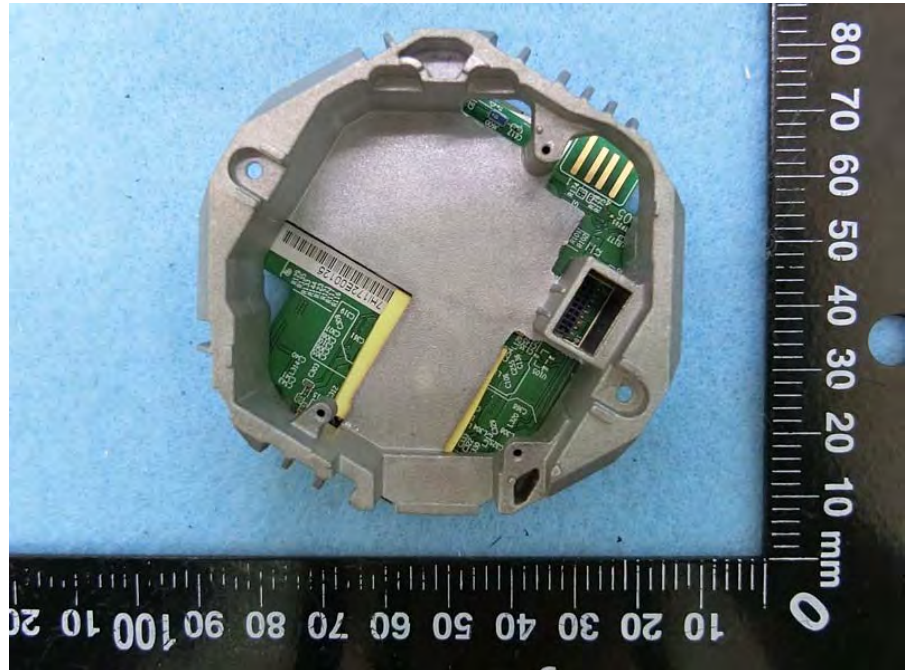

A close-up photograph of the underside of a green printed circuit board (PCB). A large, square, black integrated circuit (IC) is mounted in the center. Surrounding the IC are various electronic components, including resistors, capacitors, and smaller ICs. The PCB is populated with numerous surface-mount components. A yellow circular pad is visible on the right side. The board is mounted on a grey, textured base, and a piece of brown tape is visible on the left side.
