Version 1A	Dwg No:	Material:	Coating: ☐ PP ☐ A ☐ NISS ☐ NO
Date: 2018.11.01	Designed by Betty Tzeng	Checked by	Approve by-date

The image shows the bottom of a black, rectangular electronic device, possibly a rugged smartphone or a small tablet. The device has a textured black surface. A large, rectangular, lighter-colored area in the center is likely a battery cover or a sensor array. There are several small, rectangular, light-colored buttons or sensors around the perimeter of the device. A red rectangular box is overlaid on the top left of the device, containing the text "Label Location".

Label Location
