

INCLUDES:

- 1 (One) Bluetooth® Keyboard 11.2in. x 5.2in. x .8in.(28.5cm x 13.3m x 2cm);
- 1 (One) User Manual

FEATURES

- Bluetooth® connection.
- Responsive buttons for ultimate productivity and efficiency.
- Ergonomic design for maximum performance and comfort.

OPERATING INSTRUCTIONS

1. Power ON/OFF:

The keyboard is powered by 2(two) 1.5V Alkaline Batteries. After installing the batteries, the keyboard will turn on and the red LED will stay on for 5 seconds. To turn off the keyboard, the batteries need to be removed.

2. Bluetooth® pairing:

When the keyboard is turned ON, lightly press the Fn+C key to enter Bluetooth® pairing mode. The LED light will start flashing and the keyboard will enter pairing mode.

On your device go to Bluetooth® setting and pick "BY-WS-111" to connect.

After successful pairing, the LED light will stop flashing. After successful pairing, if you turn on the device again, the Bluetooth® keyboard will automatically connect to the Bluetooth receiving device.

3. Sleep:

After 10 minutes of no button action, keyboard will enter sleep mode; If a button is pressed while the keyboard is in sleep mode, it will automatically return to its original state. When the host disconnects the Bluetooth® connection, the keyboard will automatically enter sleep mode.

4. System switching:

- 1) FN+Q switch to IOS® system to achieve IOS® keyboard function;
- 2) Switch FN+W to Android™ system to achieve Android™ keyboard function;
- 3) Switch FN+E to Windows® system to achieve Windows® keyboard functionality.

INSTALL THE BATTERIES IN THE KEYBOARD:

Step1: Remove the battery compartment cover on the bottom of the keyboard by squeezing the cover in from the tab to release it.

Step2: Insert the batteries as shown inside the battery compartment.

Step3: Replace the cover.

Working range: up to 33 feet (10 meters)

Pairing distance: up to 16.5 feet (5 meters)

Working voltage: 2.0-3.0V

Sleep mode: after 10 minutes of inactivity, keyboard will go into sleep mode

Sleep wake-up: press any button to wake up

Operating frequency: 2.402GHz to 2.48GHz

*Mac OS® user will have limited media keys functionality:

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

—Reorient or relocate the receiving antenna.

—Increase the separation between the equipment and receiver.

—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

—Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: 2AHN6-KBWS111

SPECIFICATIONS:

- Bluetooth®
- Battery: 2 (Two) X AAA 1.5V Alkaline Batteries(Not Included)
- Working range: up to 33 feet
- 78 keys

⚠ WARNING: TO AVOID BATTERY LEAKAGE

- 1) The batteries used with this product are small parts and should be kept away from small children who still put things in their mouths. If they are swallowed, promptly see a doctor and have the doctor phone American Association of Poison Control Centers (1-800-222-1222).
- 2) Always purchase the correct size and grade of battery most suitable for intended use.
- 3) Do not mix old and new batteries, alkaline, standard (Carbon - Zinc) or rechargeable (Nickel-cadmium) batteries.
- 4) Clean the battery contacts and those of the device prior to battery installation.
- 5) Ensure the batteries are installed correctly with the regard to polarity (+ and -).
- 6) Always remove batteries if consumed or if product is to be left unused for a long time.
