Confidentiality Request

Date: June 20th 2018**Office of Engineering Technology**
Federal Communication Commission
7435 Oakland Mills Road
Columbia, MD 21046**Subject:** Request for Confidentiality
FCC ID: 2AHPN-HSA-15

To whom it may Concern:

Pursuant to the provisions of section 0.457 and 0.459 of Commission's rules (47CFR0.47, 0.459), <Insert Company Name> hereby requesting the Commission to withhold the following attachments(s) as confidential from public disclosure indefinitely:

- ☒ Block Diagram
- ☒ Operational Description
- ☒ Parts List
- ☒ Tune-Up Procedure
- ☒ Schematics

The mentioned documents above contain detailed system and equipment description and related information about the product which <Insert Company Name> considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since the design is the basis from which future products may evolve, <Insert Company Name> considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

It is our understanding that all measurement test reports, FCC ID label format and correspondents during certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

Name: SIREESHA MALLIPEDDI**Title:** Senior Product Manager**Signature of Applicant**

A handwritten signature in blue ink that reads "Sireesha Mallipedi" with a stylized flourish at the end.
