9318000 FCC ID Label

45.5*20mm

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 9318000

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180000B

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180001B

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180002B

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180000D

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180001D

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180002D

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180000E

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180001E

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180002E

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180000F

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180001F

SFA-1060 2.4GHz MADE IN CHINA

FCC ID: 2AHUVNQT0012

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ITEM NO.: 180002F

SFA-1060 2.4GHz MADE IN CHINA
