Mr. Andy Leimer
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration, Spectrum Engineering Services Group received the TELE SUPPLY A.S, Notice of Federal Communications Commission (FCC) Certification Letter, dated June 10, 2016 regarding a request for FCC Certification of a radio beacon transmitter Model JTM-30C that transmits on the 190-535 kHz band, with FCC ID # 2AHVBJTM-30C. The Spectrum Planning and International Team has reviewed the data and has no objection to the FCC granting Certification for this equipment.

If you require any additional information, please contact Ms. Annette Allender, Electronics Engineer, Spectrum Planning and International Team, at (202) 267-3893 or via e-mail annette.allender@faa.gov.

Sincerely,

Michael Richmond
Acting Manager, Spectrum Planning
and International Team
