PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-210

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

MADE IN CHINA

PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-211

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-212

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

MADE IN CHINA

PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-213

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

MADE IN CHINA

PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-214

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

MADE IN CHINA

PRODUCT NAME:MUSIC LAMP

MODEL:JL-l8-JL-215

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

MADE IN CHINA

PRODUCT NAME:MUSIC LAMP

MODEL:JL-l8-JL-216

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

MADE IN CHINA

PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-217

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

MADE IN CHINA

PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-218

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS

PRODUCT NAME:MUSIC LAMP

MODEL:JL-I8-JL-219

Input:DC 5V 500mA

FCC ID: 2AHXN-JL-L8-JL ,

Battery:3.7V Li-ion 500mA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation .

RoHS
