Request for Confidentiality

February 21, 2019

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

Subject: Confidentiality Request for FCC ID: 2AHZD-OPAL-V1

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR Sections 0.457, 0.459) APDM Inc. requests the Commission to withhold the following exhibits as permanently confidential information from public disclosure:

- Schematic Diagrams
- Block Diagrams
- Functional and Operational Descriptions

The above mentioned documents contain detailed system and equipment descriptions and are considered as such proprietary information in operation of the equipment. This information is not publicly available, and the public disclosure of the above documents may be harmful to our company and would give a competitor an unfair advantage in the market.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and this information will be available for public review once the grant of Equipment Authorization is issued.

Thank you,

A handwritten signature in black ink that reads "Brent Casady". The signature is fluid and cursive, with the first and last names being clearly legible.
