EUT – Bottom View

A photograph showing the bottom view of a white, rectangular electronic unit (EUT) resting on a blue surface. A yellow measuring tape is placed horizontally across the device, indicating its width is approximately 14.5 cm. The device has a white cable connected to its side and a small, circular component on the bottom right. A label on the bottom left of the device contains technical specifications and the 'meritek' logo.

EUT – Side View

A photograph showing the side view of the same white electronic unit (EUT) on a blue surface. Two yellow measuring tapes are used to measure the device's dimensions. One tape is placed vertically, showing a height of approximately 18.5 cm. Another tape is placed diagonally across the front face, showing a width of approximately 14.5 cm. The device features a white cable and a small, circular component on the side.
