1

Before Starting

Make sure a Wi-Fi connection is available. We recommend using a Google Account (or Gmail) with your tablet if you do not have one. This guide will help you sign up for a free Google Account.

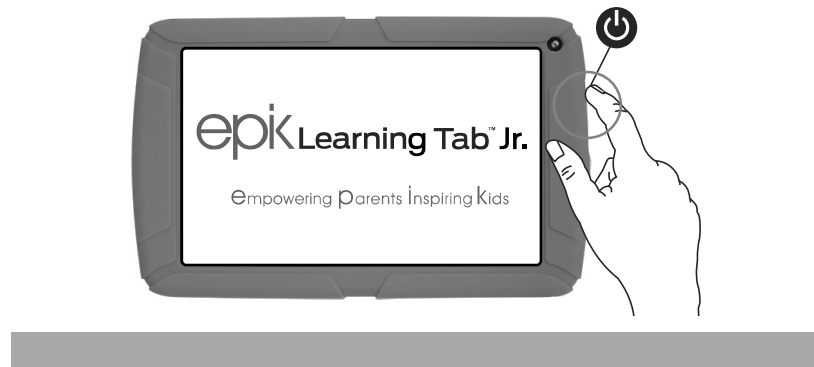

Charging

1. Before first use, we recommend charging the tablet for 6 hours.
2. Plug in the included AC adapter.
3. Connect the USB cable from the AC adapter to the tablet.

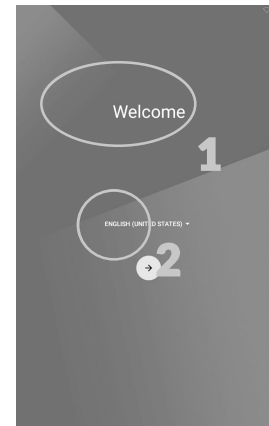

2 Turn Power On

1. Press and hold the **POWER** button for 3 seconds until the lighted screen appears.

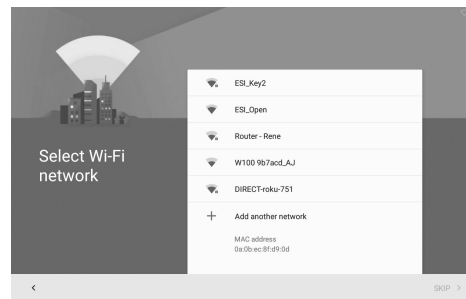

3 Language Selection

1. Scroll through the languages and highlight your preference.
2. Tap **Next**.

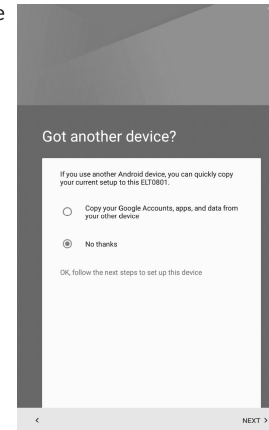

4 Connect to Wi-Fi

1. Tap your Wi-Fi Network name.
2. If your Network has a password you will be prompted to enter it.
3. Tap **Connect**.

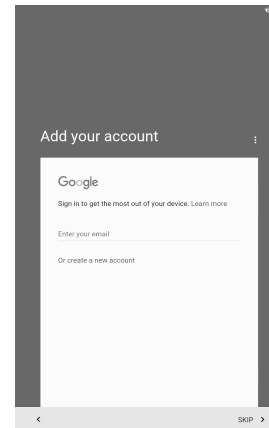

5 Got Google?

1. In case you use another Android device you have the option to copy the data from it.
2. If not tap on the "No Thanks" option and tap on "Next"

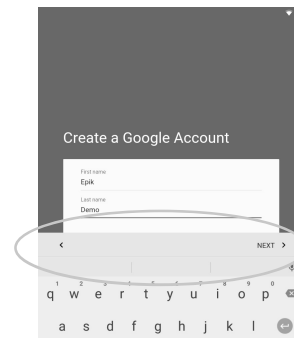

6 Add your account

1. If you already have a Google Account, enter your email and tap NEXT, and enter your password, then skip to step #9.
2. If not, tap **"Or create a new account"** and you can set one up.

7 Create a Google account

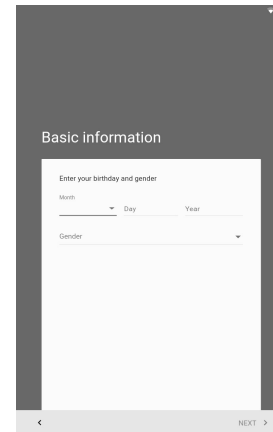

1. Enter your first and last name in the appropriate boxes.
2. Tap the "Next" button to continue

8

Basic Information

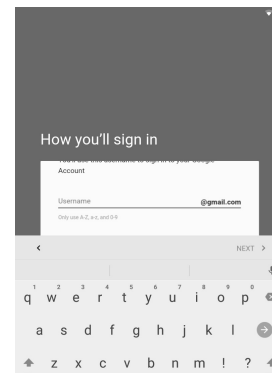

1. Enter your birthday and gender and tap "Next"

A mobile app screenshot showing a 'Basic information' screen. The screen has a dark gray background. At the top, the title 'Basic information' is displayed in white. Below the title, there is a white rectangular area containing the text 'Enter your birthday and gender'. Underneath this text, there are three input fields for 'Month', 'Day', and 'Year', each with a dropdown arrow. Below these fields is a 'Gender' label followed by a dropdown arrow. At the bottom of the screen, there is a light gray bar with a back arrow on the left and a 'NEXT >' button on the right.

9 How you'll sign in

1. Enter your desired username (new email) you would like
2. Tap "Next" to continue

10 Create password

1. Enter a password in the first box and repeat it in the second box.
2. Tap "Next" to continue

2. To add it later tap on "**No Thanks**" and tap on "**Continue**"

16 Date & Time

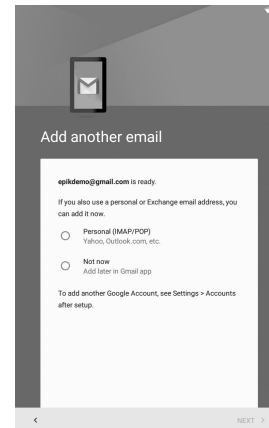

1 Enter your correct Date & Time and tap on "Next"

The screenshot shows the 'Date & time' setup screen. At the top, there's a header with a checkered flag icon and the title 'Date & time'. Below the title, there's a section titled 'Adjust if needed.' which contains three dropdown menus: 'Pacific Daylight Time (GMT-07:00)', 'Date' (set to 8/11/16), and 'Time' (set to 00:01). At the bottom right, there is a 'NEXT >' button. The screen is framed by a dark grey border.

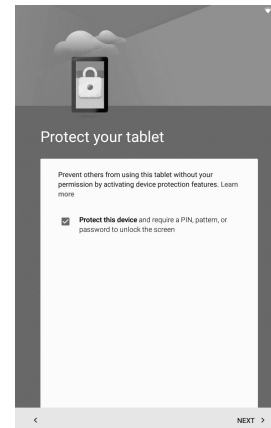

17 Add another Email

- 1 If desired you can add another email
this can be done later in "Settings"
"Accounts"
- 2 Tap "Not Now" then tap on "Next"

18 Protect your Tablet

- 1 If desired you can protect your device by adding a required PIN, pattern or password to unlock screen. This can be done at a later time in **"Setting"** **"Security"**

19 Epik Learning Tab™ Jr. Setup - Step 1

You will now set up your Epik Learning Tab JR™ parent account. Fill in all fields including name, email, postal code...

The screenshot shows the 'epik Learning Tab Jr.' logo at the top. Below it is a dark grey header with the text 'TABLET REGISTRATION' in white. The main content area is titled 'STEP 1: REGISTER YOUR CLICKN KIDS TABLET:'. It contains several input fields: 'PARENT'S FIRST NAME', 'PARENT'S LAST NAME', 'PARENT'S EMAIL ADDRESS', 'ZIP CODE', 'PARENT'S BIRTHDAY' (with a date picker showing 'MM-DD-YYYY'), and 'CHILD'S BIRTHDAY' (with a date picker showing 'MM-DD-YYYY'). Below these fields is a section titled 'STEP 2: SET-UP KIDS PLACE-PARENTAL CONTROLS:'. It features a button with a person icon and the text 'TAP HERE TO CONTINUE SET-UP...'. At the bottom left of the form is a link for 'PRIVACY POLICY'. The entire form is displayed on a tablet interface, with a black navigation bar at the bottom showing standard Android icons (back, home, recent apps).

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Have fun!

We hope you enjoy playing and learning on your new

epik Learning Tab™ Jr.
