

[Cancel](#)**Add Frame**

Hi Shirley,

I'm the Aura Assistant. What can I help you with today?

Set up a new frame

Join a frame

Buy a frame

Take your frame out of its box, plug it in, then place it on its stand or hang it on the wall.

Okay

Help me attach the stand

Help me hang the frame

To get pictures on your frame, you need to connect it to WiFi. It's an easy three-part process.

First, enable Bluetooth on your device.

To get pictures on your frame, you need to connect it to WiFi. It's an easy three-part process.

First, enable Bluetooth on your device.

Now, match the numbers on your frame to the numbers below.

The last part is to send your WiFi password to the frame. It should only take a few seconds. On the next screen, please type your WiFi password and tap Done.
