“Made for iPod,” “Made for iPhone,” and “Made for iPad” mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, or iPad may affect wireless performance. iPad®, iPhone®, and iPod® are trademarks of Apple Inc., registered in the U.S. and other countries.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Made for

iPod

iPhone

iPad

GET IT ON
Google Play

Quick Setup Guide

- 1 Download the app by searching **Aura Frames** on the App Store or Google Play store.
- 2 Place your frame in its desired location and plug it in.
- 3 Follow the instructions in the app to create your account and connect your frame to Wi-Fi.
- 4 That's it! Enjoy reconnecting with your favorite memories.

Start Exploring the Magic of Aura

Smart Curation

Aura will filter your photos and automatically display the best ones on your frame.

Family Share

Invite others to share photos to your frame or contribute to multiple frames around the world.

Unlimited Storage

There's no photo library we can't handle. Sync all of your photos to your frame.

Display Now

Instantly display a photo on your frame from anywhere, at any time.

Reposition Photos

Reposition and adjust how each photo will look on your frame right in the Aura app.

Gesture Control

Change the photo on your frame with the wave of your hand.
