4

Snap Switchmate with the “top” sticker **facing up** - over your light switch with the **light switch** and the **Switchmate** in the “up/▲TOP position”

*Remove “TOP” sticker once installed

Troubleshooting

Q: I am having trouble getting my smartphone to connect to my Switchmate

A: Different phones may behave differently when connecting to Switchmate. When experiencing difficulties, **TURN OFF WIFI** then try the following steps:

1. Close the Switchmate App and restart the App – try to connect
2. Turn Bluetooth off then on – try to connect
3. Restart Smartphone – try to connect
4. Reset Switchmate by taking the batteries out and put them back in – try to connect
5. Uninstall the App and download it again.

QUICK START GUIDE

QSG 2017 April
Designed in California

Hello

Thank you for purchasing Switchmate. We are excited to bring convenience, security, and peace of mind into your home and on your phone.

Voice Activation

Turns lights on/off automatically when you request.

Motion Activation

Automatically turns on lights as you enter rooms.

*Activates when the room is dark
*Motion sensor range is 8-10 feet

Welcome Home

Automatically turns lights on as you arrive home. (Default is off).

*Activates once per day when you first come within range of your Switchmate after dusk.

Timers

Set for automatic on/off control of your lights that function even when you're away.

*Regular timer off-times always have priority over Welcome Home off times.

Manual Press

Use the Switchmate as a manual switch by touching the center button.

Portability

Move Switchmate around your home and take it when you move or travel.

Long Battery Life

View your Switchmate's battery life and receive alerts when it's time to change the batteries.

Reverse

Use Reverse if Switchmate's on/off does not match your light switch on/off position.
