APPLICANT / CERTIFICATION AGENT:

I certify that I am authorized to sign this application. All of the statements herein and the exhibits attached hereto, are true and correct to the best of my knowledge and belief. In accepting a Grant of Equipment Authorization issued by Applus Laboratories as a result of the representations made in this application, the applicant is responsible for (1) labeling the equipment with the exact FCC ID specified in this application, (2) compliance statement labeling pursuant to the applicable rules, and (3) compliance of the equipment with the applicable technical rules. If the applicant is not the actual manufacturer of the equipment, appropriate arrangements have been made with the manufacturer to ensure that production units of this equipment will continue to comply with the FCC's technical requirements. Authorizing an agent to sign this application is done solely at the applicant's discretion; however, the applicant remains responsible for all statements in this application.

If an agent has signed this application on behalf of the applicant, a written letter of authorization which includes information to enable the agent to respond to the above Section 5301 (Anti-Drug Abuse) Certification statement has been provided by the applicant. It is understood that the letter of authorization must be submitted to Applus Laboratories or the FCC upon request, and that Applus Laboratories or FCC reserves the right to contact the applicant directly at any time.

Original written signature of authorized signer	David Betesh	Country, Date (Month, Day, Year)	2026.9.2
Typed/printed name of authorized signer	David Betesh	Title of authorized signer	Manager

CLAUSE REGULATING THIRD PARTIES´ OBLIGATIONS UNDER THE APPLICABLE DATA PROTECTION FRAMEWORK, INCLUDING WARRANTIES ON FULFILLMENTEXES

The Parties acknowledge and agree that with regard to the processing of personal data, the applicant is the data controller. The applicant shall, for the purposes of this agreement, process the personal data in accordancewith the requirements set forth in Regulation (EU) 2016/679 of the European Parliament and of the Councilof 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data ("GDPR"), in addition to any complementary national implementation actspassed by any EU Member State where LGAI Technological center S.A. (Applus) may be located.

In particular, the applicant, as data controller in respect of the personal data disclosed to LGAI Technological Center, S.A, shall be responsible for providing the data subjects with the information required pursuant to Arts. 13 and 14 GDPR, prior to the performance of any disclosure and/or assignment of the personal data to LGAI Technological Center, S.A under this agreement, as well as for obtaining any such valid consents that may be necessary in order to enable a lawful processing of the personal data by LGAI Technological center, S.A. (Applus).

Therefore, the applicant will be responsible for ensuring that any disclosures and/or assignments of personal data to LGAI Technological center, S.A. (Applus), that may be required in accordance with the provisions of this agreement, are permissible and fully compliant with the requirements set forth in the GDPR.

The applicant undertakes to assume direct responsibility and hold LGAI Technological center, S.A. (Applus) harmless of any responsibilities, including, but not limited to administrative sanctions that LGAI Technological Center, S.A may face as result of a breach by the applicant of its obligations under this Clause**,** as well as any losses ordamages that may result from any judicial or extrajudicial procedures filed against LGAI Technological center, S.A. (Applus).

NOTE 1: LGAI Technological center, S.A. (Applus) shall be responsible for and shall process all information provided during the conformity assessment process in a confidential manner (except the contents and validity date of the certificate that may be published or made available to the public). Information obtained from other sources will be treated in the same way.
