Re: FCC ID: 2AIGCWFB002

To Whom It May Concern:

The following application is submitted on behalf of our client, Mitsubishi Electric US, Inc., for evaluation of their model PAC-USWHS002-WF-1 for certification under FCC Part 15.247.

The PAC-USWHS002-WF-1 WiFi-BLE adapter wirelessly monitors and controls a MEUS HVAC unit via WiFi link. This device communicates wirelessly using either B/G/N WiFi mode or Bluetooth Smart (i.e. BLE) mode.

The PAC-USWHS002-WF-1 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
