Professional Installation Attestation

Date: July 18, 2022

**Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046**

Subject: Professional Installation Attestation regarding application for certification of
FCC ID: 2AIHD2054

To Whom It May Concern:

The device is a tracker ideal for monitoring assets like intermodal containers, construction equipment, dumpsters, light towers and other mobile assets etc. This device requires a trained professional. The device installation guide clearly states the requirement for professional installation.

Should you have any enquiries or comments, please have my best attention.

Sincerely,

DocuSigned by:
