Power On/off

How To Pair

Enable your Bluetooth function of your smartphone, search Bluetooth device and select "VTIN R2" to connect.

Suchen Sie das Bluetooth-Gerät und wählen Sie "VTIN R2" zum Verbinden.

Active el Bluetooth de su móvil, busque el dispositivo de Bluetooth y seleccione "VTIN R2" para conectarse.

Allumer votre fonction Bluetooth de votre smartphone, rechercher un périphérique Bluetooth et sélectionnez " VTIN R2" pour se connecter.

Attivare la funzione Bluetooth del tuo smartphone, cerca il dispositivo Bluetooth e seleziona "VTIN R2" per connetterti.

ご使用のデバイスのBluetooth機能をONにして、Bluetoothリストから本機名"VTIN R2"を選び、スピーカーとデバイスを接続してください。

Play / Pause / Answer / Hang Up / Reject

Volume Control / Music Control

Charge Battery

To charge, plug one end of the charging cable into the charging port and the other end into the mains.

Um zu laden, stecken Sie ein Ende des Ladekabels in den Ladeanschluss und das andere Ende in das Stromnetz.

Pour charger, branchez une extrémité du câble de chargement dans le port de charge et l'autre extrémité dans le secteur.

Enchufe el cable de carga en el puerto de carga y conecte el fuente de alimentación para cargar.

Per ricaricare, inserire un'estremità del cavo di ricarica nella porta di ricarica e l'altra estremità nella rete elettrica.

充電ケーブルを入れて充電します。

FCC STATEMENT

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio / TV technician for help.
