

E-Label Regulatory Information

To access the E-Label Regulatory Information, go to:
System settings > About phone > Regulatory notice

Below is a sample of how the information on the phone display looks like:

SOLARIN = PRODUCT MARKETING NAME
SR0020-W = MODEL

Label Regulatory Information

For every individual package (at the time of importation, marketing and sales) the information will be provided on adhesive label attached to the package.

Below is a sample of the adhesive label:
