

### E-label Implementation for our product is below

1. Instructions to access regulatory information will be provided at the time of purchasing. This will be in a pamphlet named “Safety and Regulatory Information” that will be included in shipping box. Please refer to “REGULATORY INFORMATION” section in the pamphlet for instructions to access regulatory information.
2. All regulatory information for FCC and ISSED can be accessed in the Snapchat App in three steps. Refer to exhibits on page 2 from Step 1 to 3.
3. FCC and IC ID & model number will be labeled on packaging. Please refer to packaging exhibit below.

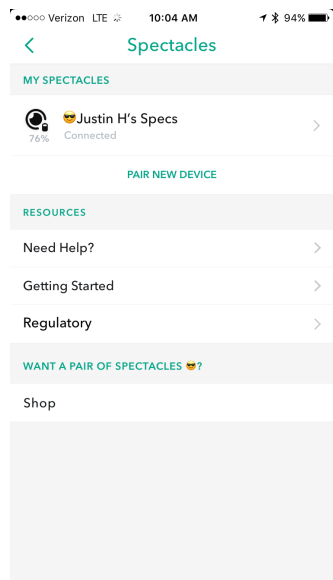

### Packaging Label

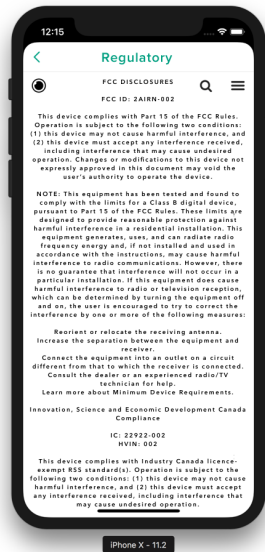

Step 1. Settings Menu in Snapchat App. Click on Spectacles.

Step 2: Click on Regulatory tab below.

### Step 3. Access FCC and ISED Compliance information

French Translation: Scroll down to access French statements.
