

EUT View 5	 A photograph of a white, rectangular electronic device with its lid open. The lid is hinged and is currently open, revealing the internal components. A ruler is placed horizontally next to the device for scale. The device has a small label on the inside of the lid with the following text: "Made in Indonesia", "F0210-XXXXXXX", "IC: XXXXX-XXX", "Model No. XXXX", "Input: 1.5V-2A".
EUT View 6	 A photograph of the same white electronic device with its lid closed. The device is shown from the back. A ruler is placed horizontally next to it for scale. The back of the device has a small circular speaker grille and a small rectangular port.
