- Please recycle or dispose of the battery properly. Contact your local recycling facilities and/or the manufacturer for further information.

USB-C Cable

CHARGING CASE

Charging can take approximately 1-2 hours.

If your earbuds remain unpaired with a Bluetooth device, they will automatically power off after approximately five minutes.

Play/Pause: Press
Next Track: Double Press
Increase Volume: Triple Press
Voice Assistant: Press and hold for -2 seconds
Answer Call: Press
End Call: Press
Decline Call: Press and hold for -2 seconds
Power ON/OFF: Press and hold for 3-5 seconds

Bluetooth Version: V5.3
Bluetooth Range: ~10M
Total Playtime: ~12 Hours at 50% Volume
Case Charging Time: ~1-2 hours

If you are experiencing issues that cannot be resolved by simply turning the earbuds on and off or by placing them back into the case you may have success by doing a manual reset.

1. Power off your Bluetooth device, and power off your earbuds by placing them in the charging case.
2. Take one earphone from the charging case. The indicator light flashes red and blue alternately. Press the touch control four times quickly to turn off the earbud. Then, do the same with the other earbud.

- Never expose your earbuds to high temperatures, extreme cold.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in the portable exposure condition without restriction.

FCC ID: 2AIXC-V41001W

This warranty covers the original consumer purchaser only and is not transferable.

This warranty covers products that fail to function properly UNDER NORMAL USAGE, due to defects in material or workmanship. Your product will be repaired or replaced at no charge for parts or labor for a period of one year.

Damages or malfunctions not resulting from defects in material or workmanship and damages or malfunctions from other than normal use, including but limited to, repair by unauthorized parties, tampering, modification or accident.

Call 1-800-592-9541 or visit us at www.vivitar.com

To receive Warranty service along with the name and address of an authorized product service center, the original consumer purchaser must contact us for problem determination and service procedures. Proof of purchase in the form of a bill of sale or receipted invoice, evidencing that the product is within the applicable Warranty period(s), MUST be presented in order to obtain the requested service. It is your responsibility to properly package and send any defective products along with a dated copy of proof of purchase, a written explanation of the problem, and a valid return address of the authorized service center at your expense. Do not include any other items in the shipping container. Products not covered by the Warranty issued by the authorized service center that are not covered by warranty will be returned unrepaired.
