MODEL: XP06

WIRELESS MAGNETIC POWER BANK

Hereby, INFINIX MOBILITY LIMITED.Declares that this Wireless Magnetic Power Bank in compliance with the essential requirements and other relevant provisions of directive 2014/53/EU.

PRODUCT PARAMETERS

Product Name	Wireless Magnetic Power Bank	
Battery Capacity	3.85V/5000mAh,19.25Wh	
Type-C Input	5V≈2.4A,9V≈1.6A,9V≈3A	
Type-C Output	5V≈2.4A(Max)	
Battery-Powered Wireless charging Output	5W/7.5W/10W/15W	
Charging while Discharging	20W	
Executive standards	GB/T35590-2017	Made In China
CE Frequency Range(RF)	111KHz-148KHz	
CE RF Output power	WPT:31.4dBμA/m(@3m)

WARRANTY CARD

Dear customers:
Thankyou very much for purchasing our products. In order to protect your legal rights and interests, and remove your worries. Meanwhile, in order to improve our after-sales service, here we make this warranty regulations. Please read seriously and provide your valuable comments and suggestions.

1. Our products have 12 months of free warranty service from the date of sale. If the warranty period has expired, our company will charge the cost of accessories according to the fault of the product.

2. Please pack and deliver the products that need repair properly. Our company will not be responsible for any loss and damage during delivery.

3. As for the products that are within the free warranty period, if there are matters as below, our company shall have the right to refuse to offer service or charge the cost of accessories.

A. Product failure or damage caused by improper use;
B. Burn accident caused by short circuit caused by moisture and water intake;
C. Damage caused by disassembly and repair by non-maintenance services;

4. Please read the instructions carefully before using our products.

5. The warranty card must be stamped and dated by the seller to determine your rights and interests.

CAUTION

1. Risk of explosion if battery is replaced by an incorrect type, dispose of used batteries according to the instructions.

– disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion;

–leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas;

– a battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

2. Do not perform other operations during the charging process.

3. Do not overload the charging bank to avoid dangerous situations such as explosion.

4. When not used for a long time, please pay attention to the storage location to avoid wear and damage.

5. Unplug the charger after it is fully charged to avoid battery damage caused by overcharging.

6.The product was submitted and evaluated for use at the maximum ambient temperature (Tma) permitted by the manufacturer’ s specification of: 40 °C.

EU DECLARATION OF CONFORMITY

The full text of the EU declaration of conformity is available at the following internet address:
<https://www.infinixmobility.com/care/declaration>

CE Frequency Range(RF) :

111KHz-148KHz

CE Operating Voltage:

Battery Capacity: 3.85V/5000mAh,19.25Wh

Type-C Input: 5V≈2.4A, 9V≈1.6A, 9V≈3A

Type-C Output: 5V≈2.4A(Max)

Battery-Powered Wireless charging Output: 5W/7.5W/10W/15W

Charging while Discharging: 20W(Max)

CE RF Output power:

WPT: 31.4dBμA/m(@3m)

EU DECLARATION OF CONFORMITY

in accordance with

AnnexVI of Directive 2014/53/EU of the European Parliament and of the Council For the following Radio equipment:

Model: XP03
Product: Wireless Magnetic Power Bank

Trade name or Brand: Infinix
Software: V2.3
Hardware number: V1.03

2. Name and address of the manufacturer or his authorised representative:
Manufacturer: INFINIX MOBILITY LIMITED

Address:FLAT N 16/F BLOCK B UNIVERSAL INDUSTRIAL CENTRE 19-25 SHAN MEI STREET FOTAN NT HONGKONG

3. This declaration of conformity is issued under the sole responsibility of the Manufacturer.

4. Object of the declaration (identification of the radio equipment allowing traceability; it may include a colour image of sufficient clarity where necessary for the identification of the radio equipment):

5. The object of the declaration described above is in conformity with the relevant Union harmonization legislation: Directive 2014/53/EU (RED)

6.References to the relevant harmonised standards used or references to the other technical specifications in relation to which conformity is declared:

3.1a Health:
EN IEC 62311:2020

Article 3.1a Electrical Safety:
EN62368-1:2014+A11:2017
EN IEC 62368-1:2020+A11:2020

Article 3.1b:
ETSI EN 301 489-1 V2.2.3 (2019-11)
ETSI EN 301 489-3 V2.3.2 (2023-01)

Article 3.2:
ETSI EN 303 417 V1.1.1 (2017-09)

7. Notified Body Name: Eurofins Electrical and Electronic Testing NA, Inc.
Notified Body Number: 0980

Notified Body Assessment Performed: Module B/C on Article 3.1a, 3.1b, 3.2
Technical File Identification Number: N/A

8. Where applicable, description of accessories and components, including software, which allow the radio equipment to operate as intended and covered by the EU declaration of conformity: User instructions are provided in the User Manual. The Software and Hardware versions are specified above.

9.Additional information:
Referring to Article 10.2 of the Directive, this equipment is so constructed that it can be operated in all Member States, without infringing applicable requirements on the use of radio spectrum.

Referring to Article 10.10 of the Directive, there are no restrictions on putting this equipment into service or of requirements for authorisation of use. Please refer to the User Manual for details.

On behalf of:

Manufacturer: INFINIX MOBILITY LIMITED
Address: FLAT N 16/F BLOCK B UNIVERSAL INDUSTRIAL CENTRE 19-25 SHAN MEI STREET FOTAN NT HONGKONG

FCC Caution:

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE:

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
