

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- .Reorient or relocate the receiving antenna.
- .Increase the separation between the equipment and receiver.
- .Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- .Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

RF Exposure Information

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

A diagram showing a power cord with a power button symbol (a circle with a vertical line) and a speaker with sound waves emanating from it.

The screenshot shows the 'All Devices' section of the Luxense app. At the top, there's a header with the time '17:36' and various status icons. Below the header, the title 'All Devices' is displayed. A red '+' icon is in the top right corner, and three dots are in the bottom right corner. The main content area features a single device card for 'Luxense RGB Str...'. The card has a light blue background and a white border. On the left is a circular icon of a light fixture. To its right, the text 'Luxense RGB Str...' is followed by 'ON' in a smaller font. On the far right of the card is a green power button icon. At the bottom of the screen is a navigation bar with five icons: 'Home' (house icon), 'Scene' (checkmark icon), 'Smart' (lightbulb icon with a red notification dot), and 'Me' (person icon). The 'Smart' icon is highlighted with a red dot.

The image displays two side-by-side screenshots of the 'Scene' app interface, showing different tabs and settings.

Left Screenshot (Gradient Tab):

- Top Bar:** Shows the time '17:36' and various status icons. Below it are buttons for 'Cancel', 'Add', and 'Save'.
- Tab Selection:** A row of tabs includes 'Gradient' (selected), 'Jump', 'Breathe', 'Flash', and a grid icon.
- Main Content:**
 - A 'New scene' button with a pencil icon and a 'Preview' button with a play icon.
 - A 'Colour' section with 'Color Card' and three colored circles (red, green, blue) with a plus sign.
 - A large color selection wheel with a red circle indicating the selected color.
 - A 'Brightness' slider set to '100%'.
 - A 'Paragraph' section with two 'Paragraph' labels.
 - A 'Speed' section with a blue button showing '2' and a grey button showing '2'.
 - A 'Speed' label with the value '50'.

Right Screenshot (Scenery Tab):

- Top Bar:** Shows the time '17:36' and various status icons. Below it are buttons for '<', 'Scene', and '>'.
- Tab Selection:** A row of tabs includes 'DIY', 'Scenery' (selected), 'Life', 'Festival', 'N', and 'Add +'.
- Main Content:**
 - A list of scene options, each with a colored dot sequence:
 - Fireworks at sea
 - Firefly night
 - Dream meteor
 - Dream Sea
 - Meditation
 - Dating
 - A bottom bar with icons for a power button, a light bulb, a camera, a music note, and a grid.
