**Item 1.** The device is able to install software/program installation?

☐ Yes, go to Item 2.

☒ No. In this case, the rest of the items do not apply. The device cannot support installation of Kaspersky cybersecurity or anti-virus software.

**Item 2. Technical Requirements for Kaspersky Cybersecurity Software:**

| # | General Requirements (For all Devices)                                     | Yes / No or N/A | Comments |
|---|----------------------------------------------------------------------------|-----------------|----------|
| 1 | Internet connection for activation and updates (For all Operating Systems) | N/A             |          |

| # | General Requirements (For Windows Devices)                                                                                                                                           | Yes / No or N/A | Comments |
|---|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|----------|
| 1 | Storage: 1500 MB free space on the hard drive                                                                                                                                        | N/A             |          |

**After reviewed the technical requirements, is the device capable of supporting the installation of Kaspersky software?**

☐ Yes, go to Item 3.

☒ No. In this case, the rest of the items do not apply. The device cannot support installation of Kaspersky software

**Item 3. Connectivity Capabilities:**

| # | Physical Interface | Purpose | Justification <sup>1</sup> |
|---|--------------------|---------|----------------------------|
| 1 |                    |         |                            |

| # | Wireless Interface | Purpose | Justification <sup>1</sup> |
|---|--------------------|---------|----------------------------|
| 1 |                    |         |                            |

After the review of this items, the device:

☒ Cannot support installation of any cybersecurity or anti-virus software on the covered list.

☐ Potentially can operate with any cybersecurity or anti-virus software on the covered list – additional third-party proof is provided to demonstrate compliance with requirements as of 2.911(d)5(i),(ii) – “Proof of Compliance with Covered List Software Requirements” of this document applies
