

Brand Name: Araknis Networks Model No.: AN-110-RT-2L1W-WIFI

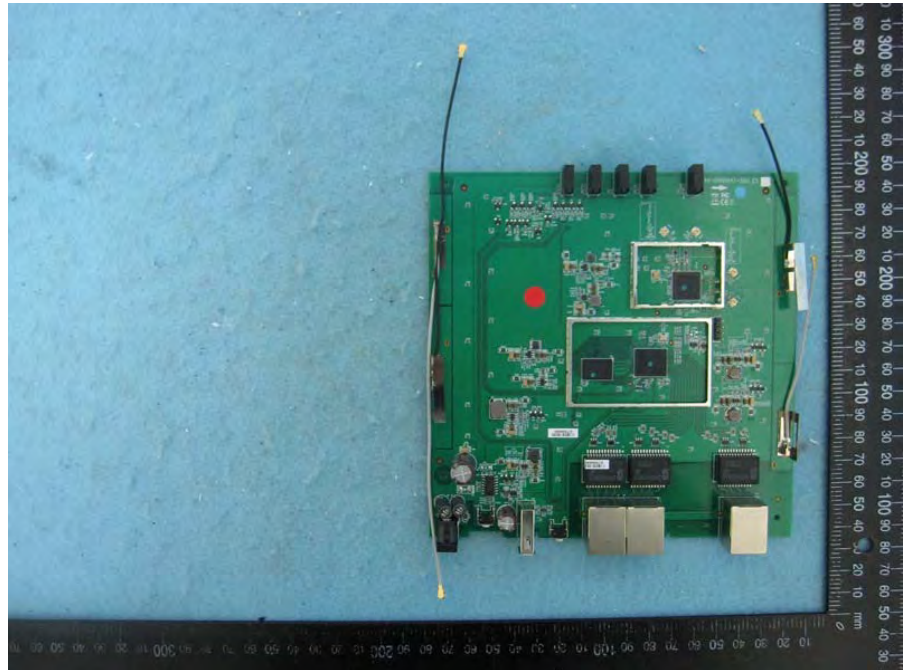

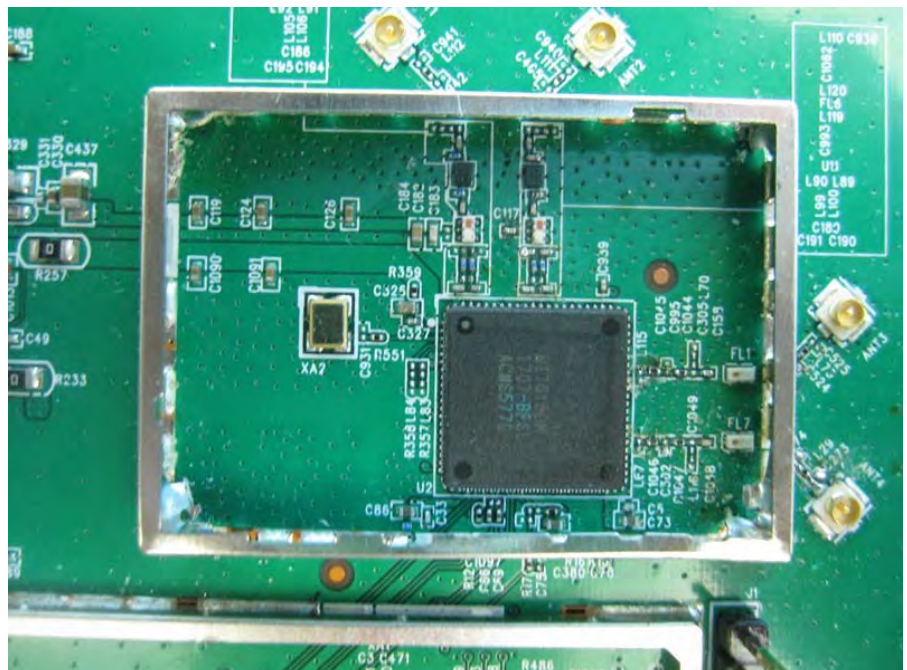

A close-up photograph of a MediaTek MT7615DN ARM processor mounted on a green printed circuit board (PCB). The processor is a square, black integrated circuit with four circular mounting pads at the corners. The text on the chip is printed in a light grey or white color. The PCB features various components, including surface-mount capacitors and resistors, and has white silkscreen markings such as 'C1045', 'L115', 'C1046', 'L67', 'R357L83', and 'U2'. The overall image is slightly blurred, focusing on the central processor.
