WARNING: This product can expose you to chemicals including Lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Explanatory Note: To meet the requirements of Proposition 65, it is our responsibility to notify consumers in the State of California that they can be exposed to chemicals that are known to cause cancer and/or reproductive toxicity. It does not mean that the product is in violation of any product-safety standards or requirements.

AVERTISSEMENT : Ce produit peut vous exposer à des produits chimiques, y compris le plomb, connus dans l'État de la Californie pour causer le cancer et des anomalies congénitales ou d'autres troubles de l'appareil reproducteur. Pour plus d'informations, consultez le site www.P65Warnings.ca.gov.

Note explicative : Pour répondre aux exigences de la proposition 65, il nous incombe d'informer les consommateurs de l'État de Californie qu'ils peuvent être exposés à des produits chimiques connus pour être cancérogènes et/ou toxiques pour la reproduction. Cela ne signifie pas que le produit est en violation de toute norme ou exigence en matière de sécurité des produits.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

Cet appareil est conforme à la partie 15 des règles de la FCC. Son fonctionnement est soumis aux deux conditions suivantes : (1) Cet appareil ne doit pas causer d'interférences nuisibles, et (2) Cet appareil doit accepter toute interférence reçue, y compris les interférences qui peuvent provoquer un fonctionnement indésirable.

What is Super X-Fi?

- Recreates a professional, multi-speaker system experience in your headphones
- Super X-Fi uses computational audio to personalize the headphone experience based on how you hear sound to give you the most optimized and realistic listening experience
- Hear sounds naturally like how they're meant to be heard

What are SXFI READY headphones?

- Certified headphones that are specially-tuned for optimum performance with devices and apps in the SXFI READY ecosystem
- Enjoy a preview of Super X-Fi Headphone Holography® on local content stored on your phone* via SXFI App

*Does not work with third-party streaming apps such as Spotify, Tidal, YouTube, and Netflix. To experience Super X-Fi technology on any apps or platforms, try our range of headphones and amp with built-in Super X-Fi technology

Download SXFI® App

Personalize your Super X-Fi profile and enjoy a preview of Super X-Fi technology via the SXFI App.
