BATTERIES DIRECTIVE

FOR REMOVABLE BATTERY (Li-ion/polymer, button/coin cells, cylindrical cells)
This product contains one or more of the above removable batteries. The crossed-out wheeled bin symbol indicates that the battery in this product should not be treated as unsorted municipal waste upon reaching its end of life. Instead it should be taken to separate collection and recycling schemes. Batteries containing heavy metal content will have a two-letter symbol for the chemical under the crossed-out wheeled bin symbol. 'Cd' stands for cadmium, 'Pb' for lead, and 'Hg' for mercury. You can help the environment and avoid public health hazards by recycling the battery at an authorized recycling facility or the place of purchase. To find the nearest authorized recycle centre contact your local authority. Instructions for removing the battery can be found in the product user manual. The instructions should be followed carefully before attempting to remove the battery.

FOR INTEGRATED BATTERY
This product contains a Lithium ion/polymer battery that should only be removed by an authorized recycling centre. By recycling this product at your local authorized recycling centre or the place of purchase, the battery will be removed and recycled separately.

DIRECTIVE SUR LES PILES

POUR PILE AMOVIBLE (Li-ion/polymère, boutons/piles bouton, piles cylindriques)
Ce produit contient une ou plusieurs des piles amovibles mentionnées ci-dessus. Le symbole de la poubelle barrée indique que la pile de ce produit ne doit pas être traitée comme un déchet municipal non trié à la fin de sa vie. Elle doit être apportée à des points de collecte et de recyclage séparés. Les piles contenant des métaux lourds auront un symbole de deux lettres pour le produit chimique sous le symbole de la poubelle barrée. 'Cd' signifie cadmium, 'Pb' signifie plomb, et 'Hg' signifie mercure. Vous pouvez aider à protéger l'environnement et éviter les risques pour la santé publique en recyclant la pile dans un centre de recyclage autorisé ou sur le lieu d'achat. Pour trouver le centre de recyclage autorisé le plus proche, contactez votre autorité locale. Les instructions pour retirer la pile se trouvent dans le manuel d'utilisation du produit. Ces instructions doivent être suivies attentivement avant de tenter de retirer la pile.

POUR PILE INTÉGRÉE
Ce produit contient une pile au lithium-ion/polymère qui ne doit être retirée que par un centre de recyclage autorisé. En recyclant ce produit dans votre centre de recyclage autorisé local ou sur le lieu d'achat, la pile sera retirée et recyclée séparément.

PRODUCT REGISTRATION AND WARRANTY

Registering your product ensures you receive the most appropriate service and product support available. You can register your product at **creative.com/register**. Please note that your warranty rights are not dependent on registration.

Creative warrants the included Creative-branded hardware product (the "Product") against defects in materials and workmanship ("Defect(s)") for twelve (12) months (for the European Union, twenty-four (24) months (excluding all wear and tear), subject to certain exceptions as stated in the EU Directive 1999/44/EC) from the date of purchase. The Creative Limited Hardware Warranty (the "Warranty") does not cover (but not limited to) consumable parts, such as batteries or protective coatings that, due to their nature, tend to diminish over time; normal wear and tear, accidents or misuse. You must provide Creative proof of original purchase of the Product by a dated itemized receipt to be eligible for the Warranty. If a Defect arises and a valid claim is received during the applicable Warranty Period, Creative will at its sole option, service the Product at no charge using new or refurbished replacement parts at our sole discretion. Warranty benefits are in addition to rights provided under local consumer laws.

For Australia only: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.
