Important Safety Instructions

Please read and keep all safety and use instructions.

Warnings/cautions

- Do NOT use the headphones at a high/loud volume for an extended period.
- To avoid hearing damage, use your headphones at a comfortable, moderate volume level.
- Turn the volume down on your device before placing the headphones in/on your ears, then turn the volume up gradually until you reach a comfortable listening level.
- Do NOT use your headphones while driving or at other times when you need to pay attention to your surroundings.
- Do NOT use the headphones at bedtime or while driving, as they may impair your ability to hear important sounds or warnings, such as alarms or sirens.
- Be aware of how sounds that you rely on as reminders or warnings may vary in character when using the headphones.
- Do NOT use the headphones if they emit an unusual noise or if the sound is distorted. If this happens, turn the headphones off and contact SUDOTACK customer service.
- Remove headphones immediately if you experience a warming sensation or loss of audio.
- Do NOT use mobile phone adapters to connect headphones to airplane jacks, as this could result in injury or property damage due to overheating.

Important Safety Instructions

Please read and keep all safety and use instructions.

Warnings/cautions

- Do NOT use the headphones as aviation communication headsets except in case of emergency.
- No incoming audio will be heard with a discharged or improperly installed battery. This could result in the potential of missed communications while piloting an aircraft.
- Extremely loud ambient noise levels common to many propeller-driven aircraft may impair your ability to receive incoming audio communications, particularly during takeoff and climb out.
- The headphones are not engineered for noise conditions, altitudes, temperature or other environmental conditions common in non-commercial aircraft, resulting in possible interference to critical communications.
- Contains small parts which may be a choking hazard. Not suitable for children under age 3.
- This product contains magnetic material. Consult your physician on whether this might affect your implantable medical device.
- To reduce the risk of fire or electrical shock, do NOT expose this product to rain, liquids, or moisture.
- Do NOT make unauthorized alterations to this product.
- Use this product only with an agency approved power supply which meets local regulatory requirements (e.g., UL, CSA, VDE, CCC).
- Do not expose products containing batteries to excessive heat (e.g., from storage in direct sunlight, fire or the like).
