

Difference declaration

Date: September 17, 2026

Model list:

SR69-H-13-O-01, SR69-X-XX-X-XX

The "X" in the series model represents different meanings respectively, but the schematic diagram, PCB layout, appearance color, etc. are all the same. The specific differences can be found on the next page - Model Specification Code. The entire machine covered by this certification is based on the module ID and has undergone tests related to radiation emission and radiation emission interference for the entire machine. The selected test model for the entire machine is SR69-H-13-O-01.
