連接：

開啟本機時藍牙將同步自動開啟，只需連接“HOMEY”藍牙名稱，連接成功後將出現“DO”聲提示音。另外也可使用3.5mm音頻線作連接。如同步按“+”及“-”按鍵，藍牙將重新作配對設定，此時可連接新的手機或電腦等設備。

音量：

“+”按鍵為增加音量，“-”按鍵為減低音量，簡單易用。

Play your music

Once your HOMEY is powered ON, the Bluetooth function is turned ON automatically. Turn on your Bluetooth function of your mobile phone or tablet, search and pair it with the name HOMEY. Or you can connect your device using a 3.5mm audio cord to the 3.5mm audio port stayed at the back of HOMEY.

Press the rightmost “+” button in the front to increase the volume or the leftmost “-” button to decrease the volume.

Press the “+” and “-” buttons together can help you to reset your Bluetooth pairing and HOMEY is prepared to connect with another device again.

- 請勿在潮濕或接近水氣的位置使用。
- 請勿放置在溫度過高或是過低的環境。
- 禁止摔擊、投擲或使用尖銳物體拆解電池設備。
- 請勿自行更改電壓或將電源主體做任何改裝。
- 響應環保，丟棄時請做資源回收。

Attention :

- Do not expose this product to water or moisture.
- Extreme temperature, humidity, direct sunlight or shock should be avoided.
- Do not strike, throw, pierce the battery with a nail or other sharp objects on the battery pack.
- Do not disassemble or modify the battery device.
- Being responsible to environmental protection, please discard the battery to recycle collection.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
