The battery used in this device may present a risk of fire, explosion or chemical burn if used incorrectly. Never use or charge the battery if it appears to be leaking, discolored, deformed or in any way abnormal. Never disassemble the unit or attempt to remove the battery as that could cause leakage of alkaline solution or other electrolytic substances. Never expose the battery to any liquid. Never expose the battery to excessive heat such as direct light or fire. Always keep the battery out of the reach of infants and small children.

Please do not attempt to change the battery yourself. If the battery has died, you should follow the disposal instructions listed here. Never dispose of used batteries/electronics with ordinary solid wastes. Always dispose of used batteries/electronics in accordance with the prevailing community regulations that apply to the disposal of batteries/electronics. If there are no local regulations concerning battery/electronics disposal, please dispose of the device in a waste bin for electronic devices. Many electronics retailers now recycle batteries and other electronic components at no charge.

- UNIQUE DESIGN
- MULTI-LED LIGHTS
- HANDS-FREE CALLING

 ON/OFF: Press and hold to turn speaker on/off. Press to pause/play music.

 Double click to redial a previous call, press to answer an incoming call, press and hold to reject an incoming call.

 To charge, connect the charging cable to the speaker's charging port, insert the other end to a 5v adapter (not included). The red light indicates that the speaker is charging. Once the speaker is done charging, the light will turn off.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.
RF warning statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

Disposal of old electronic & electronic equipment (Applicable in the European Union and other European Counties with separate collection systems) The trash can symbol (seen on the bottom) on the production indicates that this product shall not be treated as household waste. Instead it shall be handed over to the applicable collection point for recycling of electronic equipment. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling. For more detailed information about this product, please contact your local household waste disposal service or the shop where you purchased this item.

Our product is warranted for a One (1) year limited warranty from the date of purchase. The warranty is provided on all material defects and workmanship. Guarantee of 12 months does not apply to decrease in the accumulator's effective capacity caused by its use or age. Effective capacity gradually decreases depending on the method of use of the accumulator. **WE RESERVE THE RIGHT TO CHANGE TECHNICAL SPECIFICATIONS.** For more information please visit, www.gojoy.com

TIP: Must use a formal manufactured certified charger. If the power bank has not been used for a significant amount of time, please make sure to charge before using the product.

At full volume, prolonged listening may lead to a ruptured eardrum (temporary or permanent deafness, hearing drone, tinnitus, hyperacusis). Please listen at a medium-low volume and no more than one hour a day

Please insert the proper battery needed correctly to prevent explosion.

IMPORTANT REMINDERS

This device can ONLY be charged by 5V adapters/
USB ports only. Quick charging devices over 5V
may cause heat and fire.
