

Federal Communications Commission
Authorization and Evaluation Division

Date: 23 November 2016

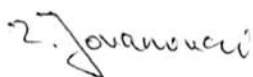

SUBJECT: Attestation letter regarding personal computer connection (FCC ID:
2AJRC-1601)

To Whom It May Concern:

This letter is to confirm that the device is designed for integration in commercial unattended payment systems. Within the system, the device would connect to a host controller, which may be custom electronic hardware, or off-the-shelf industrial hardware.

The device will not connect to a personal computer.

Regards,

Zivko Jovanovski
Hardware Engineering Manager
