FUGFPSS
Bluetooth Speaker
with Phone Holder

FCC Caution :

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help. The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Press and hold the power button to turn on the speaker. It will automatically enter Bluetooth pairing mode.

Search for "FUGFPSS" and select it to complete the connection

Attention

1. Do not use or store this product in humid environments to prevent equipment damage.
2. Please use the original charging cable to avoid potential safety hazards and product damage.
3. Do not disassemble or attempt to repair the product yourself. Please contact customer service for after-sales support if needed.
4. Keep this product out of reach of children to help prevent accidents.

FAQs

1. Cannot Power On

Check whether the battery is depleted. If so, recharge the speaker and try again.

2. Bluetooth Connection Problems

Confirm that the speaker is in pairing mode and that Bluetooth is enabled on your device. If the connection still fails, restart both devices and try again.

3. Poor Sound Quality

Check the audio settings on your playback device and make sure the speaker's volume is not set too low. If the problem remains unresolved, please get in touch with customer service.
