- Battery: Built-in 300mAh rechargeable Li-ion battery
- BT ID: Q334307
- FCC ID: 2AJUM-FUG
- Input: 5V DC, 1A
- Playing Time: 2 Hours
- Charging Time: 2 Hours

19.69 inches Charging Cable

- Input: 5V DC, 1A
- Output: 5V DC, 1A
- USB Charge rating: 5V 1A, 5W Max

Controls & Functions

- Power On/Off: Press and hold the Power button to turn the speaker on or off. When powered on, the speaker automatically enters Bluetooth mode.
- Mode Selection: Double-press the Power button to switch between Bluetooth, White Noise. Press the Play button to mute the current mode.
- + / - Buttons: Use the + / - buttons to switch between tracks, cycle through the 5 white noise sounds, and adjust the volume.
- RGB Light: The RGB light automatically turns on with the speaker. Press the Power button once to cycle through the light modes. Triple-press the Power button to turn the light off.
- TWS Pairing: After powering on, quickly press the Play button twice to pair two identical speakers in TWS mode.

FUGGLER RGB SPEAKER MR.BUTTONS

Model: FUG-RGBS-MBP

Important Notes

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio-frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception (which can be determined by turning the equipment off and on), the user is encouraged to try one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. Equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

Warning

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

⚠ CAUTION FOR YOUR SAFETY: The charging cable included with this item is intended for use with this product only.
