A small, square, blue printed circuit board (PCB) component is shown next to a black ruler for scale. The ruler has white markings in centimeters and millimeters. The component is positioned on a blue textured surface. The PCB features several integrated circuits, including a large square chip on the left and a smaller rectangular chip on the right, along with various passive components and solder pads. The ruler indicates the component is approximately 10 mm wide and 10 mm high.

## Accessory-Antenna
