Washington, DC 20554

Subject: FCC Certification, Device Labeling

Branchpoint Technologies, Inc.

FCC ID: 2AJW6-BTAIS-01

To Whom It May Concern:

This letter concerns the labeling of the Branchpoint AURA ICP Sensor, FCC ID number 2AJW6-BTAIS-01.

The Branchpoint AURA ICP Sensor is a medical implantable device. The only flat surface on this device is taken up by FDA-required unique serial number and company name, with no room left for the FCC ID. The FCC ID is included on both the sterile and sales package labels, as well as in the Branchpoint AURA ICP Sensor User Manual, each of which have been included for review in our certification materials.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Hughes", written over a horizontal line.

Kevin Hughes  
Chief Technology Officer  
Branchpoint Technologies, Inc.
