

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph of a white, rectangular electronic device, likely a power adapter or a small power supply unit, positioned vertically. The device features a power outlet with two vertical slots and a ground pin. A small antenna is attached to the top left, and a small metal tab is on the right side. The device is placed next to a black ruler with white markings for scale. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A photograph of the same white, rectangular electronic device, shown from a different perspective. The device is positioned horizontally, showing its side profile. The power outlet is visible on the front face. A small antenna is attached to the top, and a small metal tab is on the side. The device is placed next to a black ruler with white markings for scale. The ruler shows measurements in millimeters and centimeters.

EUT View 5	 A photograph of a white, rectangular electronic device (EUT) from a top-down perspective. The device has a circular power outlet on its top surface and a small USB port on its right side. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 6	 A photograph of the same white, rectangular electronic device (EUT) from a side perspective. The device is shown lying flat, revealing its bottom surface which has a small USB port and a power outlet. It is placed on a blue textured surface next to a black ruler with white markings, similar to the one in View 5.
