

Teltron Inc.

Name: Teltron Inc.
Address: No.202, ITplex, Gajungbuk-ro, 26-41, Yusung-gu
City: Daejeon
Country: South Korea
Product description: RF Doppler Sensor (Motion Sensor)
Type designation: TMS230IF
FCC ID: 2AJWPTMS230IF

Declaration: This module TMS230IF is only used for LED lamps
The TMS230IF has been mounted on top of LED PCB and biased via an external supply voltage.
When movement is detected, the analog signal is generated via the IF.
When an analog signal is generated, the LED lamp turns on and when the signal is lost, the LED lamp turned off.
