

MIFARE Antenna Specifications

Material Name:	Antenna	Model:	XK6-ANT	Internal No.:	4.005.133
----------------	---------	--------	---------	---------------	-----------

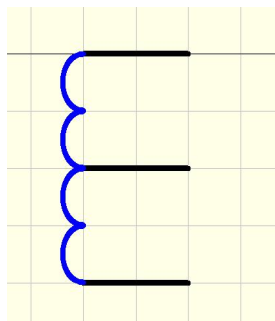

1. Dimensions

2. Product physical picture

3. Circuit schematic

4. Antenna gain: 0

5. Frequency Range: 13.56MHz

5. Electrical performance parameters

Wire Diameter:	0.381MM	Inductance:	150UH	Coil Turns:	6T
Lead Wire Method	Onboard, no leads	Lead Length:	No	Test Instrument	Digital Bridge

6. Manufacturer: Secukey Technology Co., Ltd.
