

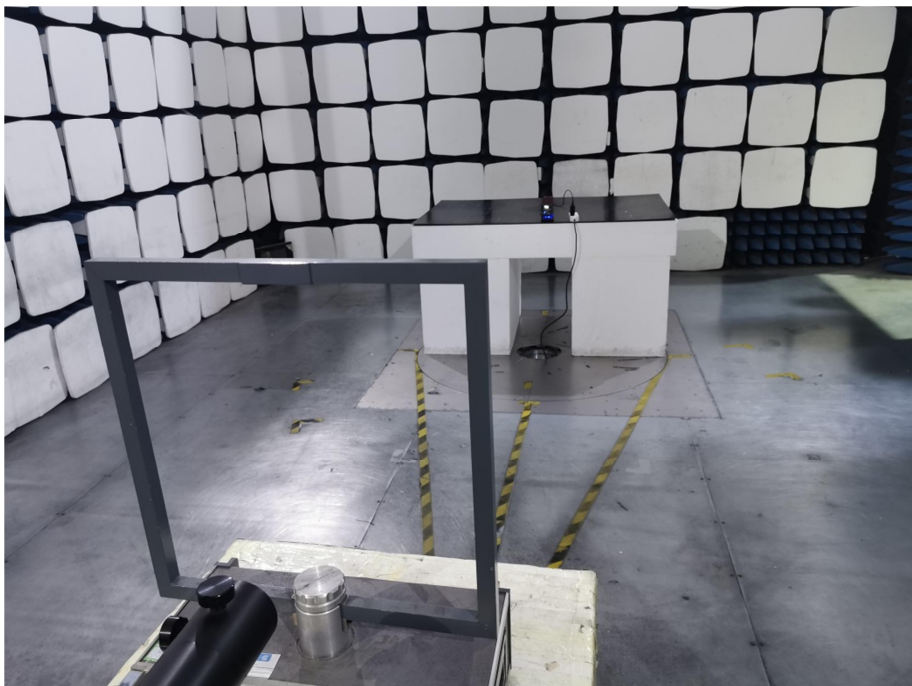

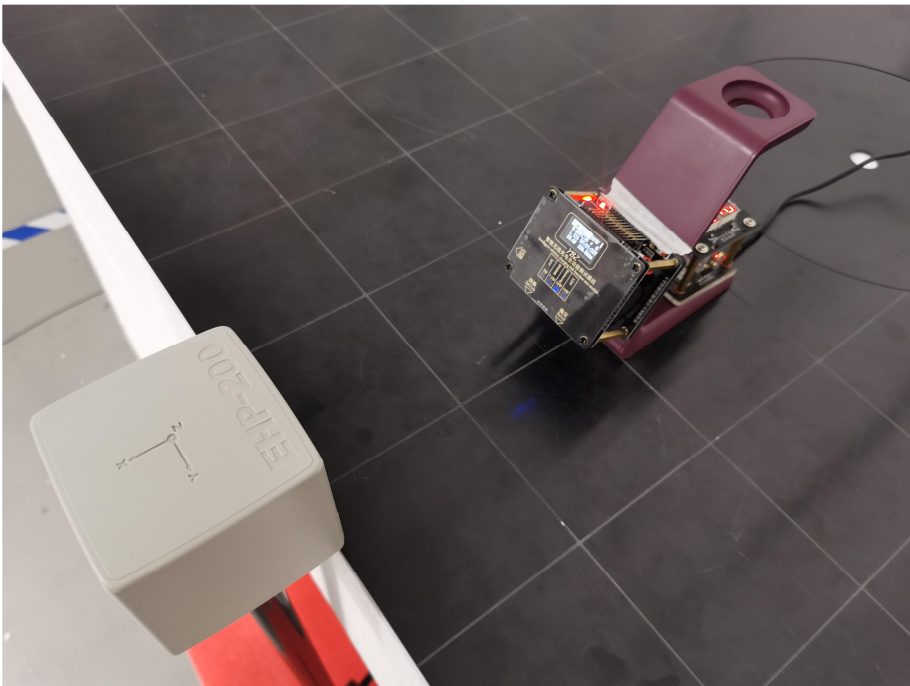

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

**Conducted Emission
Test Setup**

**Radiation Emission
View (Below 30MHz)**

Radiation Emission View (30MHz to 1GHz)	 A photograph of an anechoic chamber interior. The walls, floor, and ceiling are covered with white, square-shaped electromagnetic absorbers. In the center, there is a white table with a black top. A metal frame structure is visible in the foreground, and a yellow and black striped safety line is on the floor.
RF Exposure View	 A close-up photograph of a red electronic device, likely a mobile phone, resting on a dark, tiled surface. A white, rectangular probe labeled "ERP-200" is positioned near the device. The probe has a small diagram on its side showing a coordinate system with X, Y, and Z axes.
