Product Overview

- 1
- Premium glass panel and metal chassis

- 2
- Magnetic Qi Charger

- 3
- Anti-slip rubber base

Charging Tips

Base features a magnetic Qi charger. To begin charging, simply center your device on the puck and allow it to snap into optimal charging position.

Base works with iPhone 8 and later and any Qi enabled wireless charging device, but magnetic alignment is an added benefit for iPhone 12 and later.

Disposal of Product and Packaging

Packaging: The inner black cardboard tray is recyclable and can be placed in your recycling bin. The outer box and attached foam inserts are **not recyclable**. These components are disposable in your landfill waste.

Product: Should your product become damaged or defective, and is no longer covered under warranty, please responsibly dispose of the product and its AC power adapter at your local e-waste collection center. If an e-waste collection center is unavailable to you please contact us at support@nomadgoods.com and we will accept your used device back for responsible disposal.

Warranty

Nomad offers a 2-year limited warranty for all Nomad products with the exception of our cables, for which we offer a 5-year limited warranty. Both warranties cover any manufacturing or workmanship defects but do not cover damages that may have resulted from normal wear and tear, misuse/abuse, or modification of the product. If your Nomad product is defective, we will help you to exchange it for a brand new replacement. We cannot guarantee that the exact style or product for a claim will be in stock at the time that your warranty claim is processed, but we wouldn't want you to be left empty-handed! In this case, we will offer store credit rather than a replacement. The store credit never expires and will be valid for any product found at www.nomadgoods.com. For more information on our warranty policy, please visit our [Warranty](#) page.

Nomad will not be liable for any damages that may result from the use of any Nomad product. Our warranty does not cover the repair or replacement of property such as electronic devices and/or other personal property.
