Product Equality Declaration

We, **SIMCom Wireless Solutions Limited** declare on our sole responsibility for the product as below:

This PED covers the following products.

Models	SIM7672G (FCC ID:2AJYU-8XS0001)	SIM7670G (FCC ID:2AJYU-8XS0002)	SIM7672NA (FCC ID:2AJYU-8XS0003)	SIM7670NA (FCC ID:2AJYU-8XS0004)
Spec	LTE-FDD: B1/B2/B3/B4/B5/B7/B8/B12/B13/B18/B19/B20/B25/B26/B28/B66/B71 LTE-TDD: B34/B38/B39/B40/B41		LTE-FDD: B2/B4/B5/B12/B13/B14/B66/B71	
	The differences: 1, SIM7672G and SIM7670G are the same product, containing the same software functions, device selection, design scheme and production process. The difference is only the model number on the appearance label and the description of the model number on the software version. 2, SIM7672NA and SIM7670NA are the same as above, but also the same product, including the same software functions, device selection, design scheme and production process. The difference is only the model number on the appearance label and the description of the model number on the software version. 3, SIM7672G, SIM7670G and SIM7672NA, SIM7670NA two series, have the same device selection, the same PCB design scheme and production process. The difference between these two series, in addition to the model on the appearance label and the model corresponding to the software version, there are differences in frequency bands. The G version supports the global frequency band, and the NA version only supports the North American band part of the global frequency band.			

Should you have any questions or comments regarding this matter, please have my best attention. Sincerely yours,
