Label Location Justification Letter

Subject: Label location request for FCC ID: 2AK23RF399A

Dear Sir or Madam,

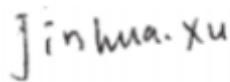

The device is a REMOTE CONTROL, where it is shown that a permanently affixed Label is not desirable that affect the appearance of the product.

To validate the grant of equipment authorization, the FCC ID is engraved on battery compartment. The product does not install the battery and back cover in the selling process. It is readily viewable at all times of purchase and during normal installation battery.

Thank you in advanced!

Best regards.
