RE: Application for End Device Approval

FCC ID : **2AK5B-L3**

To Whom It May Concern:

Please be advised that the manufacturer, DOOR Systems, Inc., requests that the above-referenced model be approved for End Device Approval.

The product is DOOR's next-generation electronic smart access device enabling secure entry via multiple authentication methods including Bluetooth LE, LoRa, NFC, pincode, and fingerprint biometrics. It provides local and remote access management and audit trails to support efficient and intelligent property management. The product is being tested according to FCC Rules Parts 15.225, 15.247, and 15.249.

Yours sincerely,

Signed by:

A296B365A11AA432
