Solder Board-Component View 4	 A photograph of a black PCB component with various electronic components soldered onto it. The component is placed on a blue textured surface. A large square chip in the center has the text "GOODIX GR5515-10NDA 2311-R05 PDRNS04Y09" printed on it. Other components include a small USB connector on the left, several surface-mount capacitors, and two circular components at the bottom.
Antenna View	 A photograph of a small PCB component with two antennas, placed on a blue textured surface next to a black ruler. The ruler has white markings in millimeters and centimeters. A red box labeled "BLE Ant." points to a small antenna on the left side of the component. Another red box labeled "EDR Ant." points to a small antenna on the right side of the component.
