

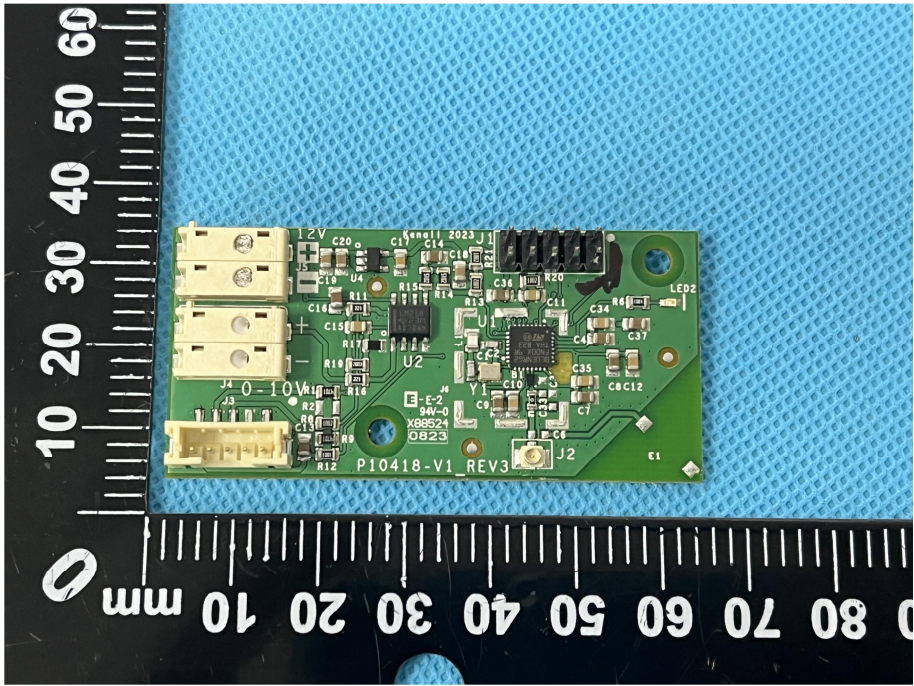

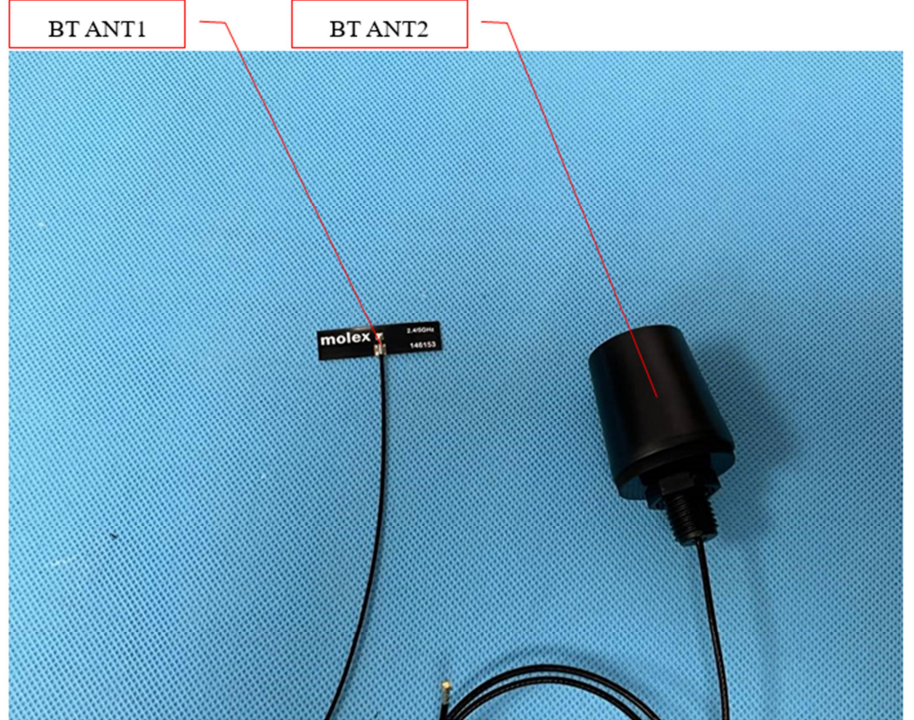

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'PI0418-V1 REV3', resting on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements from 0 to 60 mm. The board features various electronic components, including resistors, capacitors, and integrated circuits. A yellow connector is visible on the left side of the board.
Antenna View	 A photograph showing two antennas connected to a black cable. The cable has a 'molex' label with '2.4500m' and '148153' printed on it. One antenna is a small, black, cylindrical component labeled 'BT ANT1'. The other is a larger, black, cylindrical component labeled 'BT ANT2'. Both antennas are connected to the cable via red wires. The background is a blue textured surface.
